Resolution:

WHEREAS Western Illinois University must prepare an annual all-funds budget for Appropriated Funds, University Income Funds, and All Other Funds for the Illinois Board of Higher Education, Illinois State Legislature and the Governor; and,

WHEREAS the Fiscal Year 2020 All-Funds budget requires Western Illinois University Board of Trustees approval prior to submission; and,

WHEREAS the Fiscal Year 2020 All-Funds Budget presented today advances the goals of the University’s Strategic Plan, Higher Values in Higher Education, on both Western Illinois University campuses, and statewide strategic planning goals for higher education, as identified in IBHE’s Illinois Public Agenda for College and Career Success; and,

WHEREAS the Fiscal Year 2020 All-Funds Budget presented today maintains Western Illinois University’s public commitments to conservative fiscal management and public accountability to students, their families, and state taxpayers:

THEREFORE be it resolved that the Board of Trustees approves the Fiscal Year 2020 All-Funds Budget as presented in the Fiscal Year 2020 All-Funds Budget document and be it further resolved that the President be authorized to make technical adjustments in these budgets if necessary.
Fiscal Year 2020 All-Funds Budget

To ensure full budgetary disclosure within Illinois public universities, the Illinois Board of Higher Education requires each public university Board of Trustees to approve a budget for the upcoming fiscal year. The plan must include all sources of university funds categorized by State Appropriated Funds, University Income Funds, Auxiliary Services Funds, and All Other Non-Appropriated Funds. The budget approved by the Western Illinois University Board of Trustees is submitted to the Illinois Board of Higher Education, Illinois State Legislature, and the Governor.

The following table presents Western Illinois University’s Fiscal Year 2020 All-Funds Budget to be approved by the Western Illinois University Board of Trustees. This budget is presented with a FY2020 state appropriation of $49.6 million. This is the amount that was passed by the General Assembly as of June 1, 2019.

Statewide budgeting for higher education follows a two-step process. Prior to the start of the fiscal year, the Western Illinois University Board of Trustees must approve a preliminary spending plan for the next fiscal year beginning July 1. Table 1 presents the Western Illinois University Preliminary Spending Plan for fiscal years 2018, 2019 and 2020. This plan was approved by Western Illinois University Board of Trustees in June (Resolution No. 19.6/3).

Table 2 presents the All-Funds Budget approved by the Western Illinois University Board of Trustees for Fiscal Years 2018, 2019, and 2020. Differences in values budgeted for the Fiscal Year 2019 Preliminary Spending Plan (Table 1) and the Fiscal Year 2020 All-Funds Budget (Table 2) are due to the following factors.

- The Fiscal Year 2020 Preliminary Spending Plan, approved by the Western Illinois University Board of Trustees in June 2019, was based on projected student enrollment. The Fiscal Year 2020 All-Funds Budget, presented today, is based on actual Fall 2019 enrollment.
- Western Illinois University bases institutional budgets on previous fiscal year expenditures. The Fiscal Year 2020 Preliminary Spending Plan, approved by the Western Illinois University Board of Trustees in June 2019, was based on estimated Fiscal Year 2019 expenditures. The Fiscal Year 2020 All-Funds Budget, presented today, is based on actual Fiscal Year 2019 expenditures.
- At the time of preparing the Fiscal Year 2020 Preliminary Spending Plan to the Western Illinois University Board of Trustees, the State’s Fiscal Year 2020 Appropriated Funds Budget had not been enacted. The
University’s Fiscal Year 2020 All-Funds Budget includes the Fiscal Year 2020 Appropriated Funds Budget signed into law by the Governor.

Fiscal Year 2020 Spending Priorities

Following a fiscally conservative model, Western Illinois University’s annual budget preparation process uses the previous year’s budget and Strategic Plan priority and resource allocation decisions as base. This practice successfully supports advancement of the University Mission Statement and attainment of institutional goals and priorities stated in Higher Values in Higher Education.

As guided by Higher Values in Higher Education, funds will be applied to the University’s highest priorities, including increasing faculty and staff salaries to meet and exceed the average of peer institutions, support for academic programs, deferred maintenance, student recruitment, marketing and support for student scholarships and retention efforts.

Pending Board approval, the University will continue to aggressively pursue Strategic Plan priorities. Personal services, Medicare, and CMS health insurance expenditures totaling $110.4 million represent 52.4 percent of the University’s Fiscal Year 2020 planned all-funds budget expenditures, followed by items supporting the academic mission of the University: contractual services (primarily utilities and food service), awards and grants (student financial aid), and commodities.

Integrated Planning, Budgeting, and Accountability Reporting Processes

Because Western Illinois University engages in integrated planning, budgeting, and accountability reporting processes, the Fiscal Year 2020 All-Funds Budget report should be read in conjunction with The Fiscal Year 2021 Appropriated Operating and Capital Budget Recommendations to the Illinois Board of Higher Education identifying how funding will create sustainability for instructional, research, and service activities that directly contribute to Illinois’ knowledge-based economy through successful implementation of Higher Values in Higher Education.
