Dave said that he is talking with Professor Dilger about speakers for the academic conference.

Dave also reported on the graduate committee. He said that they are officially voting on if a graduate student can be on the committee and if that student will have voting rights or not. Dave has not been able to attend a meeting because of this policy issue, but will have more information about it later.

Sarah reported on the creative writing gala. She said that the submission date has changed to March 10. The song/lyrics genre has been eliminated. People are going to be asked to sign up for the final reading time at the gala ahead of time. Sarah wants to get the flyer put on the EGO site. She will give all of the information to Kate.

Dave volunteered to be a moderator for screenwriting and Brent volunteered to be another moderator for fiction.

There is some concern about getting better computer access for T.A.'s. Kate said she would talk to Professor Dilger and possibly Dave Bookner about this issue and get back to us.

The meeting was adjourned.

Next Meeting: March 8 at 3:00 P.M. in the Writing Center
