Are you eligible to win

The Elkin/ Larkin Award?

If your cumulative GPA is 3.5 or above, apply for the Elkin/Larkin award! This honor is available only to a General Orientation student. Leadership and community involvement will be taken into consideration as well as cumulative GPA. In order to be eligible, a student must have completed at least 12 semester hours at Western, and been a General Orientation major during the Fall 2008 Semester.

The Elkin/Larkin award winner will receive a stipend of $200.00. Applications can be picked up at the UAASC or available online at http://www.wiu.edu/uaasc/current. Eligible students will also be notified by email. Applications must be submitted by 4:30 p.m. on Monday, March 2, 2009.
Help! I’m on “Academic Warning!”
What does that mean?

**Academic warning:** If you start a semester in good standing but then earn a semester GPA between 1.0 and 1.99 AND your cumulative GPA drops below 2.0, you are placed on academic warning. Academic Services students begin at WIU on academic warning.

**Academic probation:** If you start a semester in good standing but earn a semester GPA of less than 1.0 AND your cumulative GPA falls below 2.0, you are placed on academic probation. If you start the semester on academic warning and earn a semester GPA of at least 1.0 AND your cumulative GPA stays below 2.0, you are placed on academic probation. If you are on academic probation and earn a semester GPA of less than 2.1 (or 2.25 if you have 60 or more semester hours), you are placed on academic suspension. If you are suspended, you must sit out the next regular semester at WIU (you can take WIU summer classes) and then apply for re-entry.

**Academic suspension:** If you start the semester on academic warning and earn a semester GPA of less than 1.0, then you will be placed on academic suspension. If you are on academic probation and earn a semester GPA of less than 2.1 (or 2.25 if you have 60 or more semester hours), you are placed on academic suspension. If you are suspended, you must sit out the next regular semester at WIU (you can take WIU summer classes) and then apply for re-entry.

**Academic dismissal:** If you have been previously suspended and while on probation fail to meet the required minimum GPA, you will be placed on academic dismissal. If you are dismissed, you may only attend WIU during the summer until your cumulative GPA reaches at least a 2.0.

**Good standing:** A student with a cumulative GPA of at least 2.0 is considered to be in good standing. If you begin a semester on academic warning or academic probation but earn a high enough semester GPA to raise your cumulative GPA to 2.0 or higher, then you return to good standing.

SECRETS TO DOING BETTER THIS SEMESTER

Maybe your grades weren't great last semester, and you want to make a change this semester. Here are tips from other students who have been able to turn their grade points around.

1. **Go to every class, every day, every week.**
2. **Don't go out at night if you have classes the next day.**
3. **Increase your study time.** (Is school your full time “job”? Do you spend 40 hours each week going to classes and doing school work?)
4. **Get a study routine.** Study something for each class, each day. Don’t procrastinate.
5. **Read the textbook all semester, not just the night before the test.**
6. **Strive to get all the points possible** on every test and paper, including extra credit.
7. **Use a calendar** to plan ahead for tests and papers.
8. **When you don't understand something, get help right away**—talk to the instructor, get tutoring.

**How to Choose the Best Major**

- Choosing the best major for **you** requires active exploration on your part. Without active exploration, you are likely to end up making an uninformed, last minute decision.
- Exploring majors does not have to be a boring activity. It can be interesting and fun.
- Don’t let someone else make your choice: This is your life—it’s important that you do your own thinking and make your own decision.
- Set aside a specific hour each week to do research. Make it part of your weekly routine.
- Don’t know how to start exploring? Contact your advisor for suggestions.
- Start now. Don’t procrastinate. You’ll be glad you made the effort sooner rather than later!

**If you are having academic difficulty**

**ask your Advisor about the**

**Academic Improvement Module (AIM)**

---

**If you have earned 46 credit hours** (or more) you will need to declare your major before you will be able to register in April. If you are in that situation, you need to contact your Academic Advisor right away and work out a plan to declare your major.

**Spring Career Fair**

**Tuesday, February 24, 2009  10:00 a.m.—3:00 p.m.**

**Student Recreation Center**

When you attend a career fair, you will learn about jobs and the types of employers who hire students from Western. A career fair is a wonderful opportunity to meet with recruiters to learn what they seek in applicants and to find out about jobs that are available. Attending a career fair can also help you in your decision of a major. Career fairs provide opportunities to:

- Get information about a company or organization from a representative. Talk to them about experiences outside the classroom that might help you when searching for a career. Ask them about specific majors that they look for when recruiting for positions.
- Effectively practice professional communication with recruiters and other future colleagues.
- Learn about possible internships, job shadowing or other experiences that will help you in deciding upon a major.

**Is it time to declare?**

**Financial Aid for 2009-2010:** [www.fafsa.ed.gov](http://www.fafsa.ed.gov)

Complete the application as soon as possible after January 1, 2009. Use an estimate of your 2008 income and correct it later if necessary.
Be wise – Get Advised!

Don’t forget to check your email!
The University will contact you through your Western email account about issues regarding your enrollment here—grades, financial aid, housing, etc. If you need help with your email contact the Student Assistance and Parent Service Center at 298-2092.
