Art Education

Department of Art, College of Fine Arts & Communication

Major Programs

The Department of Art offers the Bachelor of Arts in Art Education to students seeking an art degree that leads to teaching at the K-12 grade levels. The degree prepares students to earn K-12 teacher certification in the State of Illinois. Preparation includes the development of technical and creative skills, exposure to a broad range of media, study of the theory and methods of art education, College of Education and Human Services requirements, and background in the historical study of art. The curriculum consists of General Education courses and a 58 semester hour Art major that requires an Art Core, specialized courses from a full range of studio offerings, art methods and theory courses, courses in art history, and College of Education and Human Services requirements.

Faculty

The Department of Art has more than 17 full- and part-time faculty who offer instruction and expertise in a broad range of courses. The Art faculty teach all classes. They also pursue careers as professional artists, exhibiting on a regular basis in regional, national, and international shows and winning many awards and honors of distinction. Check out the Faculty link on the department homepage for more information on individual faculty members at wiu.edu/art.

Scholarships

In addition to the grants, loans, and scholarships available through Western Illinois University's Financial Aid office, Art majors have other forms of scholarships available to them. Each year, the department offers competitive freshman scholarships aimed at attracting talented Art majors. The department also offers Talent Grants and partial tuition waivers to majors identified by a competitive portfolio process. For information about these scholarships, contact the Department of Art.

Student Activities

The Department of Art provides many activities that are of interest to our majors and other members of the campus community. Student organizations, such as the Student Art League, the Clay Club, and the Metals Club, offer students a unique opportunity to participate in art activities on a more personal level and to get an inside look at the world of an artist. Students also have the opportunity to become involved in many other campus activities. Artistic and academically gifted students are selected for membership in Kappa Pi, an international Honorary Art Fraternity.

Special Opportunities

Students have the potential to study with visiting artists, attend special workshops, and travel to major art centers. A low student-to-faculty ratio provides for many one-on-one learning experiences. The Art program is housed in three buildings: (1) Garwood Hall (painting, drawing, printmaking, graphic design, and art education), (2) the Heating Plant Annex (sculpture, ceramics, and metals), and (3) the Art Gallery. Each year, the Art Gallery sponsors 15 to 20 exhibitions. Academically talented and motivated Art students may apply for admission to the Centennial Honors College.

After College

Graduates of the Art Education Bachelor of Arts degree often find employment in the Illinois public school system as art teachers. Some will teach at the elementary level and others at the middle or high school levels. Some graduates pursue advanced degrees. Historically, placement has been very high—over 90%! This is a strong testament to the quality of our Art Education majors and of our program.

Leslie F. Malpass Library

The library and its five branches house more than one million cataloged volumes, 3,300 current journal subscriptions, and 25 foreign and domestic newspapers. In addition, the library provides computer access to resources worldwide, including 800 other Illinois libraries with more than 22 million volumes. When necessary, the interlibrary loan program can have materials in students' hands within a day or two.

Higher Values in Higher Education

Located in Macomb (population 20,000), with a campus in the Quad Cities (Moline, IL), Western Illinois University offers a caring and supportive learning environment to more than 13,000 students in west-central Illinois. Western students have all the advantages of a large public university—strong faculty, state-of-the-art technology and facilities, and a wide range of academic and extracurricular opportunities—in an atmosphere free from distractions. Western Illinois University is a member of the NCAA and competes at the Division I level, sponsoring 20 intercollegiate sports in a broad-based athletics department. Western's presence in the Quad Cities spans more than 40 years, and that campus offers undergraduate and graduate programs to more than 1,500 students. The core values that are at the heart of the University are academic excellence, educational opportunity, personal growth, and social responsibility.

Western's GradTrac and Cost programs guarantee that students can achieve their degrees within four years while paying a fixed rate for tuition, fees, room, and board.

Western Illinois University is an Affirmative Action and Equal Opportunity employer with a strong commitment to diversity. In that spirit, we are particularly interested in receiving applications from a broad spectrum of people, including, but not limited to, minorities, women, and individuals with disabilities. WIU has a non-discrimination policy that includes sex, race, color, sexual orientation, gender identity and gender expression, religion, age, marital status, national origin, disability, or veteran status.
