

Illinois Production Tested Ram Sale

Saturday, July 11, 2009 -- 7:30 p.m.

WIU Livestock Center
Curt Overcash, Auctioneer
Sale Phone: Mark Hoge 309/255-2735

Lot 1 Suffolk		35 - Eness Suffolks U909			Born: 2/1		Twin	
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index				
Eness R6065	Eness R6005	190	151	242				
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference			
1.41	3.00	1.88	5.17	0.14	35.5			
Starting Weight: 98		Ending Weight: 187		Codon 171		RR		
<i>Comments:</i> A HUGE AVG DAILY GAIN in a big, stout ram lamb that comes from a great flock that believe in the value of performance testing.								

Lot 2 Suffolk		14 - J & L Suffolks Green 0918			Born: 2/2		Triplet	
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index				
522457 Kimm RR	White 65	147	149	147				
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference			
1.30	3.19	2.87	3.84	0.33	31.5			
Starting Weight: 79		Ending Weight: 161		Codon 171		RR		
<i>Comments:</i> This ram should get big, being crossed with the green tag sire and a big old ewe. I have kept many lambs out of this ram. He is the half brother to the ram lamb that won the 2008 TEST!								

Lot 3 Suffolk		9 - J & L Suffolks Purple 0905			Born: 1/15		Twin	
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index				
507862 QR Kimm	Green 51	137	127	152				
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference			
1.24	3.22	2.33	3.93	0.25	33.5			
Starting Weight: 98		Ending Weight: 176		Codon 171		QR		
<i>Comments:</i> This ram is out of a purple tag ram who sired the winning ram in the test 2 years ago. The dam is line bred to the purple tag ram. The sire to this lamb is my most feed efficient ram.								

Lot 4 Suffolk		8 - J & L Suffolks Yellow 0913			Born: 2/3		Twin	
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index				
Kimm 549960 RR	Orange 0709	131	130	132				
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference			
1.17	3.38	2.60	4.08	0.27	32.5			
Starting Weight: 92		Ending Weight: 166		Codon 171		QQ		
<i>Comments:</i> This ram is out of a McGloffin sire, and a nice big young oragne tag ewe. His lambs will be fast growing and easy keeping.								

Lot 5 Suffolk		5 - Cahill Suffolks 4-9			Born: 1/10		Twin	
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index				
Lost River 08-641 RR	Baumgartner 0654 RR	119	109	132				
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference			
1.16	3.08	2.20	3.28	0.24	30.5			
Starting Weight: 104		Ending Weight: 177		Codon 171		RR		
<i>Comments:</i> A big framed great gaining ram lamb with a very high terminal index.								

Lot 6 Suffolk		12 - J & L Suffolks White 0905			Born: 1/23		Twin	
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index				

PG Miller White 091 QR		Yellow 0710		117	119	117
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.24	3.29	2.60	2.94	0.28	35.0	
Starting Weight: 99		Ending Weight: 177		Codon 171	RR	
<i>Comments:</i> This ram's sire is one that J & L raised. The sire is a purple tag crossed with a Bob Kimm 38 ewe. I have kept many lambs out of this ram. He is the half brother to the ram lamb that won the 2008 test.						
Lot 7	Suffolk	6 - John Carlson 929			Born: 2/5	Twin
Sire	Dam	General Index		Maternal Sire Index	Terminal Line Index	
MSU 8164	JCC 20031	115		99	139	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.33	3.07	1.94	2.77	0.29	34.0	
Starting Weight: 77		Ending Weight: 166		Codon 171	QR	
<i>Comments:</i> Sired by a MSU ram Carlson leased last fall. MSU wanted him back because the like what they see. Big framed, heavy muscled ram that generated a very fast gaining ram in this year's test with great conformation.						
Lot 8	Suffolk	7 - John Carlson 921			Born: 2/1	Twin
Sire	Dam	General Index		Maternal Sire Index	Terminal Line Index	
MSU 8164	JCC 20440	109		96	124	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.08	3.26	1.93	4.00	0.27	30.0	
Starting Weight: 85		Ending Weight: 153		Codon 171	RR	
<i>Comments:</i> A thick muscled ram lamb out of the MSU ram leased last fall. This ram's mother is a 9 year old ewe that keeps producing top lambs time after time.						
Lot 9	Suffolk	34 - Eness Suffolks U921			Born: 2/1	Twin
Sire	Dam	General Index		Maternal Sire Index	Terminal Line Index	
Skartwedt 4288	Eness T712	108		94	127	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.19	3.44	1.88	3.71	0.24	30.5	
Starting Weight: 57		Ending Weight: 132		Codon 171	RR	
<i>Comments:</i> Another great entry from the Eness flock. Packed full of muscle with great growth in an RR package. Check out his Terminal Index.						
Lot 10	Suffolk	36 - Washabaugh 0049			Born: 2/1	Twin
Sire	Dam	General Index		Maternal Sire Index	Terminal Line Index	
REAM 6C58	735 Chris Rogers	99		107	86	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.06	3.69	2.60	3.38	0.24	28.5	
Starting Weight: 52		Ending Weight: 119		Codon 171	QQ	
<i>Comments:</i> Very extended ram lamb that is going to continue to get bigger.						
Lot 11	Suffolk	10 - J & L Suffolks Orange 0914			Born: 2/1	Twin
Sire	Dam	General Index		Maternal Sire Index	Terminal Line Index	
490335 Kimm 96044	White 42	91		111	66	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.02	3.71	2.88	3.37	0.30	29.0	
Starting Weight: 92		Ending Weight: 156		Codon 171	QR	
<i>Comments:</i> This ram has longevity, easy keeper, adds length to any flock.						
Lot 12	Suffolk	37 - Washabaugh			Born: 2/1	Twin
Sire	Dam	General Index		Maternal Sire Index	Terminal Line Index	
REAM 6C58	735 Chris Rogers	87		102	65	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference	
1.00	4.13	2.60	4.17	0.26	25.5	
Starting Weight: 47		Ending Weight: 110		Codon 171	QR	
<i>Comments:</i> Quality ram that did a pound per day on test.						

Lot 13	Suffolk	16 - Ulrich 73	Born:	2/6	Triplet
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
Ulrich 88 08	Ulrich 747 05	60	69	47	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.03	4.02	2.12	3.50	0.33	29.0
Starting Weight:	63	Ending Weight:	128	Codon 171	RR

Comments: A very complete ram that is immature in his look. He comes from a very progressive flock and should continue to impress with age.

Lot 14	Suffolk	15 - Ulrich 46	Born:	2/5	Twin
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
Ulrich 2 06	Ulrich 791 06	49	41	34	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.94	3.94	1.63	3.53	0.36	31.0
Starting Weight:	75	Ending Weight:	134	Codon 171	RR

Comments: Another solid Ulrich entry that is backed by strong proven genetics.

Lot 15	Polypay	20 - U of Wisconsin - 9379	Born:	1/29	Triplet
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
HV 2702	UW 6328	158	158	162	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.19	2.88	3.23	3.00	0.20	30.0
Starting Weight:	75	Ending Weight:	150	Codon 171	RR

Comments: Check this guy out! U of W brought a great set of polys. This guy tested extremely well and is backed by strong maternal genetics.

Lot 16	Polypay	43 - Carlson - 906	Born:	1/11	Twin
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
WC 516 Albert	JCC 20249	107	90	130	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.03	3.36	1.94	3.90	0.21	32.5
Starting Weight:	81	Ending Weight:	146	Codon 171	RR

Comments: Predictable performance is bred into this ram. Albert is proving to be an elite sire in the breed. This ram's twin was champion NSIP ram at the Nat. Poly sale this year. Here's your chance! Mother had 13 lambs in 7 lambings.

Lot 17	Polypay	19 - U of Wisconsin - 9340	Born:	1/11	Triplet
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
UW 7349	UW 5393	103	109	96	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.86	2.78	2.78	3.43	0.38	31.0
Starting Weight:	87	Ending Weight:	141	Codon 171	RR

Comments: Another quality RR poly from Taylor and U of W. This guy is complete, he tested very well and is ready to go to work for you.

Lot 18	Polypay	21 - U of Wisconsin - 9359	Born:	1/29	Twin
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
Ukent 07 2908	UW 6452	99	80	125	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.13	3.10	1.88	2.79	0.24	34.0
Starting Weight:	76	Ending Weight:	147	Codon 171	RR

Comments: Tremendous gain, with muscle and leanness. This ram lamb can add some carcass value while keeping ewe productivity in mind.

Lot 19	Polypay	44 - Crider - 809	Born:	1/21	Twin
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
VW 0516	569	93	76	113	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.94	3.60	1.75	4.66	0.25	32.0
Starting Weight:	87	Ending Weight:	146	Codon 171	RR

Comments: If your flock needs muscle here is the Polypay for you. 4.66 inches and grew almost a pound a day.

Lot 20 Polypay	41 - Carlson - 909	Born: 1/12	Triplet		
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
WC 516 Albert	KCC 20319	92	112	65	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.83	3.49	3.12	3.64	0.31	33.0
Starting Weight:	83	Ending Weight:	135	Codon 171	QR

Comments: This ram has one of the highest genetic rating in the breed for no. born and is in the upper 3.4 for growth. Dam produced 17 lambs in 6 lambings. A full brother last year sold for \$1,150 at the Center of the Nation Sale.

Lot 21 Polypay	24 - Dufoe 0525	Born: 2/13	Triplet		
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
Grandview GVW5572	J&S Green 188	91	100	79	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.94	3.65	2.63	4.51	0.40	30.5
Starting Weight:	43	Ending Weight:	102	Codon 171	QR

Comments: A young entry that is just starting to show his true genetic potential. Great muscle with solid ADG.

Lot 22 Polypay	23 - Spessard WH 524	Born: 2/4	Twin		
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
J&S Blue 361	J&S Purple 231	89	102	72	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.90	3.32	2.82	3.48	0.37	30.0
Starting Weight:	56	Ending Weight:	113	Codon 171	QR

Comments: Another great entry in the Polypay breed this year. Quality ram this is going to make someone a great sire to take home and make progress across the board. NSIP numbers are very impressive also.

Lot 23 Polypay	45 - Crider 817	Born: 2/15	Twin		
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
VW 0516	533	87	81	95	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.89	3.19	2.10	3.89	0.34	30.0
Starting Weight:	86	Ending Weight:	142	Codon 171	QR

Comments: The Crider flock brought a great pair of Polypay rams this year. Check this guys REA measurement out. Good ewe productivity with carcass traits.

Lot 24 Polypay	42 - Carlson 902	Born: 1/15	Triplet		
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
WC 516 Albert	JCC 20616	81	92	64	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.76	3.31	2.63	4.26	0.41	30.0
Starting Weight:	79	Ending Weight:	127	Codon 171	QR

Comments: This lamb is a real sleeper as a severe eartag infection slowed him down during the early test. He is back and looks great. His triplet is our fasted gainer at home and we thought this one is better! Elite genetics by Albert!

Lot 25 Hampshire	1 - U of Wisconsin 9034	Born: 1/14	Triplet		
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index	
Aif 243-08	UW 4067	155	144	174	
A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.14	2.24	2.55	3.32	0.27	33.0
Starting Weight:	97	Ending Weight:	169	Codon 171	RR

Comments: This guy is at the top of a very impressive set of Hampshire rams! You can't get one any more efficient in feed conversion than this guy. He grew great and stayed lean. This ram is what performance testing is all about.

Don't miss your chance to have a breed changer in terms of efficiency

Lot 26 Hampshire	38 - Torrance - 09H09	Born: 1/30	Twin
-------------------------	-----------------------	------------	------

<u>Sire</u>	<u>Dam</u>	<u>General Index</u>	<u>Maternal Sire Index</u>	<u>Terminal Line Index</u>	
Hope 06-56	Lubker 2835A	135	124	151	
<u>A. D. G.</u>	<u>Feed/Gain</u>	<u>Ewe Productivity</u>	<u>Ribeye Area</u>	<u>Ribfat</u>	<u>Scrotal Circumference</u>
1.16	3.19	2.20	4.54	0.26	29.5
Starting Weight:	69	Ending Weight:	142	Codon 171	RR

Comments: The Torrance family is getting serious about Hampshire sheep. This ram lamb is impressive to view and has a monster top. Great gainer with solid ewe productivity.

<u>Sire</u>	<u>Dam</u>	<u>General Index</u>	<u>Maternal Sire Index</u>	<u>Terminal Line Index</u>	
Lot 27 Hampshire	31 - Mickelson - 0914		Born: 2/3	Twin	
Frame 5046 RR	Mickelson 0742	132	123	144	
<u>A. D. G.</u>	<u>Feed/Gain</u>	<u>Ewe Productivity</u>	<u>Ribeye Area</u>	<u>Ribfat</u>	<u>Scrotal Circumference</u>
1.13	2.95	2.30	4.00	0.27	31.0
Starting Weight:	66	Ending Weight:	137	Codon 171	QR

Comments: Darrell always brings a great set of Hamps. He firmly believes in this test and loves to see his rams perform. This guy is very complete in his test criteria and he is a great looking ram in person.

<u>Sire</u>	<u>Dam</u>	<u>General Index</u>	<u>Maternal Sire Index</u>	<u>Terminal Line Index</u>	
Lot 28 Hampshire	2- U of Wisconsin - 9047		Born: 1/26	Twin	
UW 8047	UW 5044	130	120	145	
<u>A. D. G.</u>	<u>Feed/Gain</u>	<u>Ewe Productivity</u>	<u>Ribeye Area</u>	<u>Ribfat</u>	<u>Scrotal Circumference</u>
1.06	2.42	2.32	3.09	0.26	30.1
Starting Weight:	88	Ending Weight:	155	Codon 171	RR

Comments: Todd and his crew brought another great entry. I said earlier in lot 1's comments you can't get one to be any more efficient. I lied - check this guy's Feed to Gain out 2.42 -- that is impressive and he will save you money!

<u>Sire</u>	<u>Dam</u>	<u>General Index</u>	<u>Maternal Sire Index</u>	<u>Terminal Line Index</u>	
Lot 29 Hampshire	27 - Mickelson - 0920		Born: 2/15	Twin	
Wheaton 7-025	Mickelson 621	115	120	103	
<u>A. D. G.</u>	<u>Feed/Gain</u>	<u>Ewe Productivity</u>	<u>Ribeye Area</u>	<u>Ribfat</u>	<u>Scrotal Circumference</u>
0.92	3.85	2.40	6.54	0.38	35.5
Starting Weight:	52	Ending Weight:	110	Codon 171	RR

Comments: Here it is folks. The biggest top in the test. An impressive **6.45 REA**. If your ewes need muscle this is the one! The ultrasound technician could not believe how big his top was when it popped up on the screen!!!

<u>Sire</u>	<u>Dam</u>	<u>General Index</u>	<u>Maternal Sire Index</u>	<u>Terminal Line Index</u>	
Lot 30 Hampshire	4 - U of Wisconsin - 9075		Born: 1/30	Twin	
ISU7104	UW 6027	106	95	124	
<u>A. D. G.</u>	<u>Feed/Gain</u>	<u>Ewe Productivity</u>	<u>Ribeye Area</u>	<u>Ribfat</u>	<u>Scrotal Circumference</u>
1.11	3.00	1.95	2.95	0.21	35.5
Starting Weight:	91	Ending Weight:	161	Codon 171	RR

Comments: A solid U of W entry that gained well over a pound and stayed very lean. A terminal sire supreme!

<u>Sire</u>	<u>Dam</u>	<u>General Index</u>	<u>Maternal Sire Index</u>	<u>Terminal Line Index</u>	
Lot 31 Hampshire	29 - Mickelson - 0915		Born: 2/3	Twin

<u>A. D. G.</u>	<u>Feed/Gain</u>	<u>Ewe Productivity</u>	<u>Ribeye Area</u>	<u>Ribfat</u>	<u>Scrotal Circumference</u>
1.08	3.31	1.82	3.44	0.24	33.5
Starting Weight:	95	Ending Weight:	163	Codon 171	RR

Comments: Another solid entry that looks better than he tested!

Lot 33 Hampshire 26 - Mickelson - 0907 Born: 1/28 Twin
Sire Dam General Index Maternal Sire Index Terminal Line Index
Wheaton 7-025 *Mickelson 0745* 66 81 42
A. D. G. Feed/Gain Ewe Productivity Ribeye Area Ribfat Scrotal Circumference
0.81 4.00 2.30 4.63 0.31 29.0
Starting Weight: 56 Ending Weight: 107 **Codon 171** **QR**

Comments: Darrell must like muscle! The next 3 rams from Mickelson all are loaded with muscle and are just starting to show their tru potential.

Lot 34 Hampshire 28 - Mickelson 0905 Born: 1/28 Twin
Sire Dam General Index Maternal Sire Index Terminal Line Index
Wheaton 7-025 *Mickelson 560* 37 70 -10
A. D. G. Feed/Gain Ewe Productivity Ribeye Area Ribfat Scrotal Circumference
0.75 4.71 2.52 4.97 0.36 33.0
Starting Weight: 70 Ending Weight: 117 **Codon 171** **RR**

Comments: Heavy muscled with a late maturity pattern!

Lot 35 Hampshire 30 - Mickelson 0912 Born: 2/1 Twin
Sire Dam General Index Maternal Sire Index Terminal Line Index
Wheaton 7-025 *Mickelson 604* 32 37 23
A. D. G. Feed/Gain Ewe Productivity Ribeye Area Ribfat Scrotal Circumference
0.83 3.88 1.57 3.93 0.37 31.5
Starting Weight: 76 Ending Weight: 128 **Codon 171** **QR**

Comments: This ram's figures are very satisfactory and will make progress in most flocks. The only problem is that this years Hampshires are extremely good. Don't let this guy go to your neighbor, you might regret it.

Lot 36 Dorset 46 - Vermazen - 1630 Born: 1/28 Triplet
Sire Dam General Index Maternal Sire Index Terminal Line Index
Huntrods 5432 *Vermazen 1433* 135 124 149
A. D. G. Feed/Gain Ewe Productivity Ribeye Area Ribfat Scrotal Circumference
1.03 2.93 2.45 5.21 0.28 32.0
Starting Weight: 70 Ending Weight: 135 **Codon 171** **QR**

Comments: Vermazen is back in big fashion. His Dorsets are always strong. Jim had two rams scan with over a 5.00 inch REA. This is a very dual purpose Dorset that will make most any ewe in the country heavier muscled!

Lot 37 Dorset 48 - Vermazen - 1625 Born: 1/28 Twin
Sire Dam General Index Maternal Sire Index Terminal Line Index
Huntrods 5432 *Vermazen 1461* 114 114 113
A. D. G. Feed/Gain Ewe Productivity Ribeye Area Ribfat Scrotal Circumference
0.89 3.01 2.60 5.16 0.32 32.5
Starting Weight: 61 Ending Weight: 117 **Codon 171** **RR**

Comments: Almost identical to Jim's top indexing ram with the exception of .1 of ADG. Good looking sheep with performance.

Lot 38 Dorset 22 - Torrance 23D09 Born: 1/20 Twin
Sire Dam General Index Maternal Sire Index Terminal Line Index
Spilde 8004 *Poynter RH-31* 77 76 79
A. D. G. Feed/Gain Ewe Productivity Ribeye Area Ribfat Scrotal Circumference
0.97 3.13 2.20 3.79 0.35 30.5
Starting Weight: 77 Ending Weight: 138 **Codon 171** **QQ**

Comments: The Torrance family brought an impressive ram lamb in the Dorset breed. This guy is complete in all criteria with a look of quality and great feet and legs. A performance ram that could be shown.

Lot 39 Dorset 47 Vermazen - 1628 Born: 1/28 Twin
Sire Dam General Index Maternal Sire Index Terminal Line Index
Huntrods 5432 *Vermazen 1462* 74 85 59

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.84	3.20	2.60	3.83	0.34	34.5
Starting Weight: 74		Ending Weight: 127		Codon 171	RR

Comments: Another quality entry from south east Iowa. Jim's Dorsets are as good and solid as any. Performance sheep with look and style.

Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index
Harris0626 Catwalk QR	KF-Acres 0615	128	121	137

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.08	3.04	2.78	4.94	0.35	30.5
Starting Weight: 55		Ending Weight: 123		Codon 171	QR

Comments: Proceeds will be donated to WIU sheep farm. Ram is out of a young mother that did an excellent job. If you want to raise commercial sheep that will still look good enough for your son or daughter to show, then look in!

Lot 41	Oxford	32 - Kabat - 0921	Born: 1/31	Twin
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index
Harris0626 Catwalk QR	KF-Acres 0525	72	79	63

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.94	3.49	2.65	4.05	0.37	28.5
Starting Weight: 71		Ending Weight: 130		Codon 171	QQ

Comments: Proceeds will be donated to WIU sheep farm. Ram comes from a very productive mother that has put 5 replacement females back into the flock and produced two stud rams. Why not make a 3rd. Good sheep are here!

Lot 42	Texel	18 - Richardson KBR 913	Born: 2/3	Twin
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index
PP7028 AI	ET 5003	100	100	100

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.11	3.92	2.05	5.26	0.18	35.5
Starting Weight: 73		Ending Weight: 143		Codon 171	QR

Comments: This is an impressive sheep to view. Massive muscle, with great ADG. A commercial shepherds dream!

Lot 43	Crossbred	25 - Washabaugh - 46881	Born: 1/31	Single
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index
Ream 6C58	Polypay	100	100	100

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
1.03	3.31	1.81	3.25	0.30	31.0
Starting Weight: 61		Ending Weight: 126		Codon 171	QR

Comments: A very complete speckle faced crossbred ram to run on commercial ewes. This guy can add muscle and keep growth really good.

Lot 44	Dorper	40 - Caron - BVF 69	Born: 1/3	Single
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index
B2	BVF 18	104	102	107

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.60	2.66	1.45	3.67	0.41	29.0
Starting Weight: 74		Ending Weight: 112		Codon 171	QR

Comments: Dallas is a great young sheepman that Attended WIU. He likes his Dorpers and he brought a great pair. Both rams had ear infections early in the test, but these guys are really solid built sheep that have great muscle.

Lot 45	Dorper	39 - Caron - BVF 70	Born: 1/3	Single
Sire	Dam	General Index	Maternal Sire Index	Terminal Line Index
B2	BVF 3			

A. D. G.	Feed/Gain	Ewe Productivity	Ribeye Area	Ribfat	Scrotal Circumference
0.71	3.46	1.45	4.09	0.39	31.0
Starting Weight: 66		Ending Weight: 111		Codon 171	QQ

Comments: This guy had a tough time getting started in the test, but at the sale you will see that he is not having any problems growing or performing now. He is fleshy and big bodied. Very thick and heavily muscled.

PENS OF EWE LAMBS

*****MORE PENS MAY BE CONSIGNED BY SALE TIME!!*****

Lot 100 3 Head J & L Suffolks Suffolk

Comments: "Yellow" Tag ewe lambs that will be easy keepers. Seem to cross well with any good ram.
