CAS dean candidates on campus

Four candidates for the College of Arts and Sciences dean position began Monday, March 1, according to College of Fine Arts and Communication Dean **Paul Kreider**, chair of the search committee.

The candidates include **Susan Martinelli-Fernandez**, interim CAS dean, (March 1-2); **John La Duke**, associate dean of Arts and Sciences, University of North Dakota, **Monday and Tuesday, March 8-9**; **Wolfgang Natter**, director of the Alliance for Social, Political, Ethical and Cultural Thought, Virginia Tech, **Monday and Tuesday, March 22-23**; and **William Rosa**, former associate dean, College of Humanities and Social Sciences, Montclair State University (NJ), **Monday and Tuesday, March 29-30**.

The interviews for each candidate include sessions with administrators, faculty, staff and students on the Macomb and Quad Cities campuses. Members of the Macomb and QC campuses and communities are encouraged to attend the open session for each candidate.

Interview schedules and resumes are available online at wiu.edu/employment.

At WIU-Macomb, open meetings with faculty, administrative and civil service staff and students will be held at 3 p.m. in Morgan Hall 109: **March 8** (La Duke); **March 22** (Natter); and **March 29** (Rosa).

The dean of the College of Arts and Sciences is the chief academic officer for the college and is responsible to the provost and the president of the University. In consultation with representative faculty committees, the dean carries out the educational policies of the college and University and serves as a representative on standing and ad hoc administrative committees. The dean reviews internal policies and the mission and goals of the college to ensure that they are in accord with those of the University and the Board of Trustees. The dean coordinates the activities of assistant and associate deans, department chairs, and support staff relating to the development and growth of the college and its departments.

WIU, UPI reach five-year tentative agreement

Western Illinois University President **Al Goldfarb** and University Professionals of Illinois (UPI) WIU Chapter President **John Miller** announced a tentative agreement on a five-year contract for faculty and academic support staff. Pending ratification by collective bargaining unit members and the WIU Board of Trustees, the agreement will set contract terms for the 2010-2011 through 2014-2015 academic years.

"We are pleased to have completed negotiations and reached a compromise in advance of the Fall 2010 semester," said Goldfarb. "Representatives of the faculty and academic support staff bargaining team have worked cooperatively with administrative representatives to address issues of shared concern. I greatly appreciate the UPI leadership's commitment to working through a new five-year contract."

Details of the agreement will not be released until the UPI leadership has the

opportunity to inform members of contract changes and the wage and benefits package. Following a ratification vote, the contract will be forwarded to the WIU Board of Trustees for consideration.

"We began working on this in July (2009) with numerous meetings and several surveys of our members," Miller said. "I am pleased that the administration was open to our ideas and worked cooperatively with us to complete this agreement. The UPI can now bring a tentative agreement to bargaining unit members that we endorse. My thanks to all members of the UPI and administrative teams for their forthright and cooperative approach to achieving this agreement. I particularly want to thank all of the UPI Department Representatives, House of Delegate members, members of our finance committee and the Quad Cities faculty council for their consultation and suggestions in this process."

WIU named to Presidential Honor Roll for Community Service

For the second consecutive year, Western Illinois University has been named to the President's Higher Education Community Service Honor Roll for its exemplary service efforts.

According to the Corporation for National and Community Service (CNCS), the Community Service Honor Roll, which was established in 2006, is the highest federal recognition a school can achieve for its commitment to service-learning and civic engagement. Honorees for the award were chosen based on a series of selection factors, including scope and innovation of service projects, percentage of student participation in service activities, incentives for service and the extent to which the school offers academic service-learning courses.

This past year, Western's Volunteer Services and many other campus-based organizations and departments sponsored

Gem, mineral, fossil show March 13-14

The 30th annual Gem, Mineral and Fossil Show, with the theme "Geodes of the World...and T-Rex, Too!," is scheduled from **10 a.m.-6 p.m. Saturday, March 13** and from **10 a.m.-5 p.m. Sunday, March 14** in the Union Grand Ballroom. Admission and parking are free.

Earth science displays, educational programs, lapidary demonstrations and activities for kids are all part of the show, as well as a special T-Rex exhibit from Chicago's Museum of Natural Science.

Presented by Geodeland Earth Science Clubs, Inc. (GESCI) of west-central Illinois, the weekend show will include gems, fossils, minerals and artifacts. Dealers in minerals, fossils, jewelry and equipment will be exhibiting items found in backyards from western Illinois and worldwide. Demonstrators will be presenting skills, including shell engraving, fossil preparation, egg and rock painting, scrimshaw, geode cracking, glass bead making, lampworking and faceting gemstones.

The featured speaker will be **David Hess**, a WIU professor emeritus of geology (1966-2000). He is a member of the Geological Society of America, Friends of Mineralogy and The Fluorescent Society and a charter member of the West Central Illinois Rock and Mineral Club-Midwest Federation. His interest in geodes dates back to his graduate studies at Indiana University (1962) when he learned about the southern Indiana geode field. He then learned about the tri-state Keokuk (IA)-Warsaw (IL)-Missouri geode fields when he came to Western.

The following programs will be presented:

1:30 p.m. Saturday and 12:30 p.m. Sunday – Hess' presentation on geodes.

11:15 a.m. Saturday and 2:30 p.m. Sunday – "T-Rex. The Real World," video produced by the Black Hills Institute of Geologic Research, which shows an actual site where five T-Rex skeletons were excavated since 1990.

3 p.m. Saturday and 2:30 p.m. Sunday – "Coconut Geodes" (Mexican) by Brad Cross, from the DVD set "The Wonderful World of Agates" symposium, and one of the foremost experts on agates.

For more information about the show, contact show chair Dennis Bomke at (217) 546-4096 or dbomke@comcast.net. The dealer chair is Jim Travis, (309) 645-3609 or boatnick@aol.com.

Financial aid director candidates on campus

Two candidates for the director of financial aid position will be on campus for interviews beginning **Friday, March 5**, according to **Karolynn Heuer**, Student Assistance and Parent Service Center director and chair of the search committee. The candidates are **Robert Andersen**, senior associate director of the Office of Student Financial Aid at the University of Illinois at Urbana-Champaign, **Friday, March 5**, and **Kenneth McGhee**, executive director of Student Financial Assistance at Cuyahoga Community College District (Cleveland, OH), **Thursday, March 11**. Interview schedules and resumes will be available online at wiu.edu/employment.

An open meeting with faculty, administrative and civil service staff and students will be held at **1 p.m.** in Horrabin Hall 60 **March 5** (Anderson) and in the president's conference room **March 11** (Sherman Hall 205) (McGhee).

Andersen has served as the senior associate director of the Office of Student Financial Aid at the University of Illinois at Urbana-Champaign since 1998. He also served as the team lead for financial aid, UI-Integrate (2001-2003). Andersen was the assistant director of financial aid at Western (1985-1998); the director of financial aid at Monmouth College (1980-1985); the assistant director of financial aid at the University of Wisconsin-Stout (1978-1980); the director of financial aid at Viterbo College in LaCrosse, WI (1976-1978); and director of the Law Enforcement Education Program at Pepperdine University (Los Angeles, CA) (1975-76).

He received his master's degree from Pepperdine and his bachelor's degree from the University of Minnesota.

McGhee has served as the executive director of Student Financial Assistance at Cuyahoga Community College District since 2006. Previously he was the director of financial aid at Portland (OR) State University (2005-06); senior assistant director of financial aid at Northern Illinois University (2000-05); coordinator of financial aid at the College of DuPage, Glen Ellyn (IL) (1999-2000); and assistant director of financial aid at Rock Valley College, Rockford (IL) (1995-99). McGhee earned his master's degree from NIU and his bachelor's degree from the University of Alabama at Birmingham. He also holds a post-master's enrollment management certificate from Noel Levitz and Capella University, Minneapolis, MN.

The director of financial aid is responsible for supervising all operations of the Financial Aid Office and student employment areas; responsible for developing and implementing the overall philosophy, goals, operating procedures and principles for the University's comprehensive student financial aid program; ensures compliance with institutional, accrediting, state and federal guidelines; collaborates on the development, prioritization and implementation of technology initiatives relevant to financial aid systems; administers the student employee budget; and ensures that the office provides the highest level of customer service to its constituencies.

school children; participating in Western's annual We Care campus clean-up; and more.

"Volunteer activities and service learning are vital components of the higher education experience. These activities enhance our students' experiences and provide much needed assistance within our communities," said WIU President **Al Goldfarb**. "The core value of social responsibility should stay with our students long after they graduate. It's an honor that Western was recognized for the second consecutive year for our community service efforts."

See the complete honor roll listing at learnandserve.gov/about/programs/higher_ed_honorroll.asp.

"Agreement," continued from p.1

Miller said the distribution of contract information will begin with contract announcement meetings Monday, March 8 on the Macomb campus and Tuesday, March 9 on the Quad Cities campus (times and locations TBA). A ratification vote will occur in April. The contract is expected to go before Western's Board of Trustees at its June meeting.

"WIU finds itself, like all other state colleges and universities, in a difficult economic reality," said Miller. "This agreement recognizes these difficulties while protecting the institution and our members' employment and working conditions over the next five years."

Carter receives William E. Kennedy Award

Richard Carter, director of nontraditional programs, has been awarded the Council of College and Military Educators (CCME) 2010 William E. Kennedy Award. The award is presented annually to an employee of an institution offering education programs at military installations.

Ann Showalter of the Rock Island Arsenal nominated Carter for the award, which was presented to Carter in February at the council's annual symposium in Nashville, (TN).

"In reviewing your nomination the board has decided to acknowledge your dedication, leadership and numerous accomplishments in providing quality voluntary off-duty education programs by honoring you as this year's Kennedy Award recipient," the council wrote. In August 2009, Western was designated as a "Military Friendly School" by G.I. Jobs Magazine and is featured in the "Guide to Military Friendly Schools." According to G.I. Jobs, this honor ranks Western in the top 15 percent of all colleges, universities and trade schools nationwide that are doing the most to assist America's veterans as students.

A few of the many reasons behind Western's selection as a military friendly

school include the unique Board of Trustees/Bachelor of Arts (BOT/BA) degree program, which Carter oversees. While the BOT/BA degree is designed as a distance learning/online program, students majoring in the program also have the option of attending classes on Western's Macomb and Quad Cities campuses. For a student veteran, the program provides a great deal of individualization and flexibility, Carter added.

"Dr. Carter has been instrumental in providing quality, accessible academic programs to individuals serving in the armed forces," said WIU Provost and Academic Vice President Jack Thomas. "The Kennedy Award is a testament to his dedication and commitment to Western Illinois University and the students we serve."

CCME, a not-for-profit organization, was founded 36 years ago to promote, encourage and deliver quality education to service members and their families in all branches of the armed services. CCME membership is comprised of military educators, civilian educators, post secondary educational institutions and suppliers of education products and services. CCME's mission is to promote and provide educational programs and services and to facilitate communication between the membership and the Department of Defense educational support network.
