- 1 - Math placement is determined during orientation. Required classes are listed below. Some students may need to take more math to meet the prerequisites for the required courses. If student places into math lower than 133, please expect extra semesters or hours to make up math credit. SEE ADVISOR
- 2 - Take Chemistry 100 before 201 if lacking high school chemistry or lacking a strong math background.
- 3 - English 180 and 280 may be taken in either Fall or Spring Semester of the 1st (180) or 2nd year (280).
- 4 - All first year students, (or transfer students) who bring in 12 or fewer hours would have to take and pass TWO FYE classes (one each of the first two semesters), and students who come with 13-24 hours would have to take and pass ONE FYE class in their first semester at WIU.
- 5 - One class must be taken from the Fine Arts (Area 2) of the Humanities General Education Requirement.
- 6- Students must take one course that fulfills a Global Issues Requirement. This course can also count as a General Education Course and an FYE Course.
