## WIU-John Marshall Law School Accelerated Admissions Partnership: Upcoming Campus Visit Opportunity

WIU has entered into an exciting partnership with John Marshall Law School in Chicago to allow for exceptionally well-qualified students majoring in History to pursue an accelerated admission program at JMLS following their junior year of undergraduate study at Western. This fall, you can learn more about the program by **VISITING JMLS IN PERSON**, free of charge!

On Thursday, November 16th, interested students can spend the day in Chicago, talking with JMLS Admissions, visiting classes, and touring campus. We’ll go up on the morning train and return the same evening. **SPACE IS LIMITED**, so email Dr. McNabb if you would like to take advantage of this fantastic opportunity!

Contact Dr. McNabb ([JL-Mcnabb@wiu.edu](mailto:JL-Mcnabb@wiu.edu)) for additional information or questions you have about this program.
