USE OF CELLULAR PHONES
As a courtesy to other students and to the instructor, all cell phones and pagers should be turned off prior to class. Continued disregard of this policy may result in ejection from the course. If, due to medical or public safety concerns, a student needs an exception to this policy he/she should inform the instructor prior to class.
USE OF TOBACCO:
Use of tobacco in any form is prohibited in university buildings/classrooms.

Grade breaking points may be lowered, but in no case will they be raised. These breaking points will be evaluated only after final numerical grades have been calculated.

The final will consist of a wide variety of questions with emphasis on short answers and problem solving. I reserve the right to use unannounced quizzes. The final will be comprehensive. Makeup exams will be given only in extreme situations.

The following guidelines should be used for all assignments.

a. All papers are expected to be neat and legible.
b. Do not use torn paper out of a spiral notebook.
c. Answers to questions or problems should be in the order requested,
d. Securely fasten all papers together with a staple or paper clip; do not dog-ear papers.

ABSENCES
Students will be allowed one unexcused absence. Students with more than one unexcused absence will have their final course grade reduced by 5% per absence. A student may recover lost points from an unexcused absence by writing a 7-10 page research paper (double spaced – one inch margins -12 point font) complete with references on the missed day’s topic. Grading of any such papers is solely at the discretion of the instructor. All students must clear absences in advance with the instructor, except in the case of an emergency, or the absence will be considered unexcused. It is to the student’s advantage to get approval for absences via email. Students are required to complete all assigned work for any and all absences.

EXPECTATIONS OF STUDENTS
Participation: Students are expected to regularly attend class and to actively participate in discussions.

Academic Integrity: The rules and regulations outlined in the University's policy on academic integrity are applied to this course.

Student Rights and Responsibilities: Detailed information regarding student rights and responsibilities can be found at http://www.wiu.edu/provost/student/. It is your responsibility to be familiar with the posted information.

Special Accommodations: If you need special accommodations, please feel free to stop by and discuss your needs or contact Disability Support Services at 298-2512.
COURSE JOURNAL
Each student is expected to keep a course journal. A **three-ring binder** is well suited for this assignment. For each class, a minimum of two entries should be placed in the journal. The first entry should be two to three paragraphs summarizing the key points of that week’s class discussion. The second entry will be based on a reflective activity related to that day’s discussion. More explanation on the journal will be provided in class. The journals will be reviewed periodically throughout the course. Journal entries should be recorded in the following manner – **left side of binder** should be the class summary; **right side of binder** for personal observations/reflections. **Each entry should be dated!**

Other course materials (handouts, etc.) are to be kept in a separate section of the journal (dividers are appreciated). Please do not put handouts in the pockets of the notebook.

OFFICE VISIT
Since this class only meets once a week it is very difficult for the instructor to get to know each student in the class. To assist with this, you are to schedule (by email) a 10-15 minute office visit with the course instructor. During the office visit, be prepared to discuss career goals and what you hope to gain out of this course. **For full credit, the office visit must be conducted on or before October 30th!** Office visits conducted after this point will receive half credit.
