GENERAL HONORS COURSES – Spring 2015

With the exception of the required one hour G H 299, the following General Honors courses may be used to fulfill requirements in the University’s General Education – G H 101, 201, and 301 in the GE area of the humanities and social sciences; G H 102, 202, 302 in the GE area of mathematics and the natural sciences; G H 104, 204 in the GE area of math and the natural sciences with lab.

Note that G H 101 may be taken as Advanced Placement Credit for English 180 OR English 280, but not for both English 180 and 280. G H 101 may be repeated only if taken in a different department. However, AP credit may only be earned once. A student may NOT take G H 101 and earn AP credit for ENG 180 and then repeat the course to earn AP credit for ENG 280.

+Class has 8 meeting times: January 20 & 27; February 3, 10, 17, 24; and March 3 & 10. &Credit Placement Credit for English 180 or 280. *G H 299 may be taken as General Honors Credit for students taking ENG 180 or 280. **G H 101 may be repeated only if taken in a different department. However, AP credit may only be earned once. A student may NOT take G H 101 and earn AP credit for ENG 180 and then repeat the course to earn AP credit for ENG 280.
The course will meet twice a week for the first 8 weeks of the semester, followed by a 9-10 day trip to Vienna and Berlin during Spring Break. Prior to travel, students will discuss contemporary essays, literary works, and films that portray and critically reflect on the importance for German and Austrian national identity of specific contemporary urban sites to be visited during the trip. Necessary background information will be provided through lecture. Following travel, a comprehensive final exam will be held in which each student presents a critical reflection on one of the sites visited. *Class meets first 8 weeks.*

### Additional Costs Required for Trip

- **GH 302** Sec. 03 MEANING OF LIFE G. Chang 11-12:15 TTH MG 453
- **PHM 300** Sec. 03 POSTMOD THOUGHT D. Sandle 6:30-9:00 W eve MG 322
- **G 302** Sec. 67 ECON SUST FOOD T. Sadler 12:30-1:45 TTH ST 317

### Introduction to Public Speaking

- **ST 217** Sec. 01 GLOBAL POVERTY J. Harriger 11-11:50 MWF ST 217

#### Global Economic Poverty Issues

This course on global economic poverty utilizes economic principles to define, examine and analyze the scope and breadth of global economic poverty, to determine how the world is divided into poor and rich nations, and to help students understand and evaluate the causes and implications of poverty and to consider what international measures of economic poverty but also gain greater appreciation for the underlying causes of global poverty and the intricate interconnections between different cultures and countries across the globe. The tools learned in this class and subsequent discussions will help our students better navigate and understand the often-unfamiliar world around them. This course provides writing opportunities with revision possibilities to help develop students’ critical thinking skills. *Counts as GH course for satisfying graduation requirements for Honor Scholar status.*

### Gender, Race & Environment

- **G 307** Sec. 01 GENDER & ENVIR H. McIlvaine-Newad 3-5:30 W MG 322

#### Gender, Race & Environment

Students in this course will explore research, scholarship, and fictional works on the relationship among gender, race, and the environment. The first part of the course will examine the various schools of ecofeminism. The main part of the course will explore the relationship between women in the developing world and their environment. The course will conclude with consideration of the impact of women, feminists, and ecofeminist writers on the local and global environmental movements. *Counts as GH course for satisfying graduation requirements for Honor Scholar status.*
