

Knowledge is Power

Are you passionate about Early Intervention and it's principles? Do you have expertise or experience to share with Developmental Therapists or DT students who want to expand their practice related to supporting families and their young children with developmental delays and disabilities?

We invite you to apply to be a breakout session speaker at the 2018 Illinois Developmental Therapy Association on September 14, 2018

This year's conference topic of focus:
Make It Work on Monday! Strategies you can Implement into practice right away to help improve the lives of the families you serve.

Our keynote speaker will be Joshua D. Sparrow, MD from the Brazelton Touchpoints Center, and our closing will be presented by Jim Gill who is a renowned musician and composer of children's music
