RE: Addendum New Requirement for CMS 1500/UB04 Claim Forms

Please note that the new requirements noted for submission of CMS 1500/UB04 Claim forms on the September 16, 2019 Notice have been postponed for one month, from October 1, 2019 until November 1, 2019, for Early Intervention Providers.

The Bureau of Early Intervention is currently working with Illinois Department of Healthcare and Family Services (HFS) in an effort to clarify several questions regarding the implementation of these requirements. Once we have received clarification from HFS, an additional notice will be posted to ensure our Provider Community can meet the new requirements successfully.

Please contact Heather Hofferkamp, with the Bureau of Early Intervention, with any questions or concerns at 217/782-1981.

Thank you for your cooperation.
