**All international applicants must provide financial documentation whether self supported or sponsored. All financial documentation must be in English or with an official English translation that specifically indicates sufficient liquid assets (minimum of \$25,000 USD) are currently available on deposit to support the applicant for the first year of his/her academic program. Financial documentation can be no older than one year from the date of arrival on campus.**

**\*Examples of acceptable financial documentation - original bank letter signed by a bank official; original bank statement issued directly from the bank; loan or award letters stamped or certified by a lending institution.**

**Examples of unacceptable financial documentation - internet bank statements; bank letters without the name of the account holder; life insurance policies; any photocopied, faxed, scanned, or imaged document.**
