Career Opportunities
Graduates of the superintendent endorsement program are qualified to serve as assistant superintendents, curriculum directors and superintendents in school districts in Illinois, Iowa and Missouri.

Distinctive Features
Courses are delivered in a weekend academy format. Classes meet from 8 a.m.-5 p.m. on Saturdays and from 8 a.m.-1:30 p.m. on Sundays. Coursework for this program is offered on the Macomb and Quad Cities campuses and in Lake County. Coursework in the program is problem-based and is focused on issues faced by PK-12 administrators.

Students exiting the program have indicated they are well-prepared to deal with the demands of the superintendency.

Faculty
The faculty members of the Educational Leadership Program have a strong interest in helping highly-successful principals make the transition from school building administrators to district-level administrators. As transformational leaders, they can improve educational opportunities for all students in the district. Educational Leadership Program faculty hold doctoral degrees in Educational Leadership and other related fields. Their professional experiences include service as assistant principals, principals, curriculum directors, associate superintendents and district superintendents.

Educational Leadership faculty are actively involved in professional organizations, work with school districts on school improvement and provide inservice opportunities to teachers and administrators. They are accomplished authors, as demonstrated by their published books and articles in state and national journals. They also are active in presenting their research at professional meetings at the state and national levels.

Accreditation
The superintendent preparation program is accredited through the Education Leadership Constituent Council (ELCC) and has been approved by the Illinois State Board of Education (ISBE). Western Illinois University’s licensure officer is authorized to approve endorsement for students seeking superintendent endorsement in Illinois, Iowa and Missouri.

Featured Alum
“The Education Specialist program, offered through Western Illinois University, provided me with the skills necessary for my career. The instructors are knowledgeable and present the coursework in a manner that made it relevant and applicable in the field. Choosing WIU was a great decision.”
