

Hello Everyone!

We were pretty productive at our last meeting on 1/22 and we had a good turnout. Let's see if we can do better at our next meeting, scheduled for this Thursday, January 29, at 4:30pm in Stipes 107. Hopefully that time will work better for some of you. Even if you have class until 4:30 or later, try to stop by afterward. We might still be there. That way you can also sign up for any events that we have set up.

On to events:

- ESG has a booth at the Activities Fair. The Fair is on Wednesday, January 28, from 3-5pm in the Grand Ballroom. Jodi, Brittany, Emily, Delaney, and Stacey will be there recruiting. Stop by and say hello if you are there! For those who will be working the booth, please remember to wear business casual/professional dress.
- We are hosting another Blood Drive on February 18, from 10am-4pm. It will be held in the Grand Ballroom in the Union. Our last Blood Drive we made 31 units, just shy of our goal of 35 units. Great job everyone! Let's see if we can make 35 units this time!
- We are looking to start setting up some volunteer opportunities. Jessica is looking into Birthright of Macomb. Emily is looking into Heartland Health Care of Macomb. If you know of another place where we can volunteer, please let us know. If you wish to call them yourselves, we need to know the availability, times we can volunteer, and the number of volunteers they need. Wesley Village has a few days we can volunteer there. We are welcome to come volunteer on Wednesdays for 2pm Bingo and/or 3:30pm Sing-A-Long, and also they have a social hour at 3:30pm every day that we can volunteer to spend time with the residents.
- We are looking into possibly doing Relay-For-Life. It is sometime around March/April. We will discuss it closer to time.
- Candy sales are at a standstill right now. The Candy we had bought we cannot sell because it can be bought from the vending machines. We are looking into possibly doing a Valentine's Day theme and selling Valentine's Candy and heart cookies. If you have any ideas, please let us know.
- We are thinking of having a Health Careers Night sometime after Spring Break. This is a great opportunity for students to see different careers in the Health discipline. Again, we will discuss this later in the semester.
- The Interest Meeting for Eta Sigma Gamma will be Thursday, February 5, in Stipes 107 at 4:30pm. We are hoping to bring in more freshman, sophomores, and juniors, as many of us will be graduating in Spring.

Hope everyone has a great week. See you Thursday!
