Assistant Grounds Gardener
Athletic Turf Specialist

Grounds Foreman
Grounds Gardener
Grounds Sub-Foreman

Section 2 - Union Activity/Non-Discrimination
The Employer and the Union agree that there shall be no discrimination against or coercion by any Employer or Union representative against employees regarding Union membership, that all Union membership is entirely a matter of the employees' free choice and determination. Further, the Employer agrees that there will be no discrimination against spokespersons or officers of the Union, engaged in the negotiation of agreements, the adjustment of grievances or the performance of related work in the interest of the Union and its members.

During the effective dates of this Collective Bargaining Agreement, the Union and its members shall not solicit membership or carry on Union activity on the Employer's premises with the Employer's workers outside this bargaining unit during their working hours. A Union spokesperson with permission of proper authority may leave the assigned work to investigate an alleged grievance or to present matters according to Regulations, the spokesperson being in a non-pay status while so occupied if proper permission to be absent from work has not been obtained.

Section 3 - Compensation for Negotiations
The Employer agrees to allow no more than two (2) Union Spokesperson to attend negotiations without loss of pay. The Employer shall not otherwise be obligated for wages or subsistence expenses for any employees except as provided above.
ARTICLE II
MANAGEMENT RIGHTS

The Union recognizes the right of the Employer to manage its operations and to plan, direct, and control the policies and conditions of employment of its employees insofar as such policies and conditions of employment are not inconsistent with the expressed provisions of this Collective Bargaining Agreement. The Employer recognizes the Union's interests in any changes which materially affect conditions of employment of those it represents and the need to keep it informed prior to any such changes. The Employer will negotiate regarding any change of conditions of employment except those controlled either by law or established by existing provisions of Regulations, the law and rules governing the State Universities Civil Service System of Illinois, or the Bylaws and Governing Policies promulgated by the Board of Trustees, and as may be amended, all of which are made part of this Collective Bargaining Agreement.

ARTICLE III
NON-DISCRIMINATION

The Union and the Employer agree that they will not practice discrimination against any employee because of sex, race, color, sexual orientation, gender identity, gender expression, religion, age, marital status, national origin, disability, genetic information, veteran status, political or union affiliation, and any other classes protected by state or federal law.

If an employee elects to follow the Employer's Policy on Discrimination Complaint Procedures or seek legal remedy outside the Employer, such action shall effectively waive any rights which either the employee or the union might otherwise have to use the grievance procedure provided herein, with respect to this article.
ARTICLE IV
DUES DEDUCTION AND FAIR SHARE

Section 1
The Employer agrees to deduct from the pay of those employees who individually request it any or all of the following:
   A. Union membership dues or assessments;

Such fair share fee, once certified by the exclusive bargaining agent, shall be deducted from the employee’s pay check. Such fair share provision shall remain in effect for the duration of the labor agreement.

If the bargaining unit does not have a majority of employees as union members, the exclusive bargaining agent may request an election of the bargaining unit employees to determine whether or not a fair share provision shall be applied to non-union members. Such election shall be conducted by a third party upon which the parties can mutually agree. Any costs associated with the process shall be assumed by the exclusive representative. If it is determined, by normal and standardized balloting and election procedures established by a third party that a majority of bargaining unit employees who vote favor the fair share provision, such fair share provision, subject to the same conditions listed above, shall be implemented on the pay period following the certification of election results. If the majority of employees in the bargaining unit do not favor the fair share provision, such provision shall not be implemented for the duration of the Agreement. However, if the Union has requested an election and failed to receive a majority in favor of fair share, the provisions of the following paragraph shall not be applicable for the duration of the Agreement.

If during the duration of the Agreement the exclusive representative, can show that a majority of bargaining unit employees are union members through certification of employees making dues deduction, the fair share provision shall be implemented during the pay period following such certification and shall remain in effect for the duration of the Agreement.

Section 3
In accordance with the provisions for deduction as described in Section 1 of this Article and fair share fees as described in Section 2 of this Article, the Employer shall cause the State Comptroller or other authorized wage paying authority to withhold those deductions or fees from the wages due to each bargaining unit employee, pursuant to the State Salary and Annuity Withholding Act and/or other applicable state statutes and/or procedures established by the Comptroller and/or the Employer and shall cause the amounts so withheld to be remitted to Local 399, International Union of Operating

The Employer will determine the appropriate level of training. The members of this bargaining unit shall perform all work of the Employer that has traditionally and historically been performed by them, and no such work shall be performed by any other person or be sublet or contracted out where such action causes layoff of employees in the unit. The Employer may, for operational needs, assign work similar to and/or overlapping work to other classifications, extra help, or student employees as long as such assignments do not cause a layoff of bargaining unit employees.

C. The Employer recognizes its responsibility to make all reasonable provisions for the health and safety of the employees, to assure and enforce compliance with Federal and State laws, and to maintain sound operating practices which will result in safe working conditions. The Union recognizes the responsibility of the employee to perform their job functions in accordance with recognized safe operational procedures and the attendant responsibility to promptly report all unsafe conditions and practices in their work area to Facilities Management supervisory personnel. The Union shall be entitled to one (1) bargaining unit representative on the Facilities Management Safety Committee. The Union shall notify the Director of Facilities Management of their selected representative. Should the meetings of the Committee occur during the working hours of the employee, actual time spent in the meeting shall be without loss of pay.
ARTICLE IX
HOURS OF WORK AND OVERTIME

Section 1 - Shift Schedule
A. The University shall determine shift schedules and scheduling requirements based upon the operational needs of the institution.
B. The basic work schedule for all employees covered by this Agreement shall be thirty-seven and one-half (37 1/2) hours and five (5) consecutive working days of seven and one-half (7 1/2) consecutive hours each, with the exceptions hereinafter set forth. The seven and one-half (7 1/2) hours will be broken up by an unpaid lunch period of one-half (1/2) hour except by individual agreement by the employee concerned and the Employer. The seven and one-half (7 1/2) hours may be broken up by a paid fifteen (15) minute break during the first half of the employee’s shift.
C. Other than a schedule change, an employee shall work five (5) consecutive days with two (2) consecutive days off. The two (2) consecutive days off may be other than Saturday and Sunday. When implementing a schedule change, the University shall attempt to initiate schedules in a manner that will enable employees to receive their regular straight time pay for five (5) days during the week in which the change is made. Days off during schedule changes may not be consecutive.
D. The basic shift schedule shall be: Monday through Friday 7:00 a.m. to 3:00 p.m. and/or Tuesday through Saturday 7:00 a.m. to 3:00 p.m. The parties agree that the employer may establish additional and/or alternate shift schedules pursuant to A above.

Section 2
At the Employer's discretion, employees may be permitted to clean-up or shower after completion of assigned tasks.

Section 3 - Overtime Assignments
Inasmuch as the Employer operates an educational institution, functioning in the public good and welfare, and services provided it by employees covered in this Collective Bargaining Agreement are essential to the operation of said institution, all employees through acceptance of this Collective Bargaining Agreement by their duly constituted Bargaining Agent, guarantee to perform reasonable amounts of overtime work whenever the Employer deems such work necessary.

Overtime, except in an emergency or when supervisory personnel are required, must be offered on as equal a basis as possible to employees in the department, provided that if a special skill and/or license is required, the Employer shall select the employee with the fewest number of hours on the overtime chart who possesses the special skill and/or license. Whether a special skill and/or license is required and which employees possess that special skill and/or license shall be at the Employer’s discretion. The parties agree that the Employer will determine when supervisory personnel are required on an overtime assignment and may assign overtime to supervisory personnel regardless of the hours on the overtime chart.
A. A chart recording all overtime will be maintained and displayed for all employees to review at any time.
B. A new employee shall be credited with the highest number of overtime hours.
C. An employee may exempt himself from overtime. However, if the employee desires to return to the overtime list, he shall return at one (1) hour above the employee with the highest hours. Those employees who exempt themselves shall not return to the list for thirty (30) calendar days.
D. Employees receiving overtime offerings shall be charged with the hours offered if refused. However, if an employee splits a shift and works he shall only be charged with the time worked.
E. Employees off on leave (sick, personal, vacation, etc...) shall not be offered or charged with any overtime offerings.
F. In the event that an employee works overtime and it runs into the employee's regular shift after working sixteen (16) consecutive hours the employee may opt to be released from work taking vacation, compensatory time, or time without pay, for the balance of his/her shift. For the sole purpose of computing overtime for the day, the employee's entire regular shift will be considered as time worked.

Section 4 - Overtime Payment/Compensatory Time
The Employee will determine whether overtime will be compensated as overtime pay or compensatory time at the applicable overtime rate, with the exceptions hereafter set forth. The Employer may designate certain overtime opportunities which will not qualify for compensatory time. The maximum compensatory time accrual for an employee shall be thirty-seven and one-half (37½) hours. The use of accrued compensatory time by an employee is subject to supervisory approval.

Section 5 - Temporary Upgrade
When an employee in a lower classification is assigned and does perform work on a temporary basis in a higher classification for one (1) or more hours on a shift, the employee shall be upgraded and receive the rate of pay for the higher classification for the period of assignment. Employees must meet qualifications and have passed the exam in the higher classification in order to perform work and receive pay in such higher classification. Training opportunity assignments do not qualify as performing work in a higher classification. When an employee is assigned and does work on a temporary basis in a lower classification, the employee shall continue to receive their regular rate of pay.

ARTICLE X
DISCIPLINE

Section 1 - Written Reprimand, Suspension and/or Discharge
Whenever an employee covered by this Collective Bargaining Agreement is given a written reprimand, suspension, or is discharged, written notice in accordance with the Statutes and Rules of the State Universities Civil Service System of Illinois will be given him and, if requested by the employee, a copy of such notice will be sent to the Union's office.
ARTICLE XI
SENIORITY

Section 1 - Seniority Roster
A. The Employer agrees to provide rosters to the Union of the employees in classifications covered by this Collective Bargaining Agreement showing each employee's seniority and job classification as such rosters are prepared for use of the operating department.
B. The Employer agrees to provide to the Union the above mentioned rosters upon its request annually.
C. Seniority shall be by classification and shall prevail in regard to layoffs, and choice of working shifts so far as operating needs of the department permit. However, any employee initiated shift movement shall not obligate the Employer to pay overtime when the new schedule is implemented.
D. Vacation preference shall be by departmental seniority regardless of classification. Department seniority is the total service time in the individual departments covered by this Agreement.

Section 2 - Shift Bids
A. Two shift bids shall be held each year, one in the spring semester and one in the fall semester, for the purpose of allowing unit employees to pick their individual shift schedule by classification. The Department Management shall determine the implementation date of each bid. The Department Management shall meet and discuss with the Union Spokesperson(s) the implementation date of each bid. Bid sheets shall be posted for bid at least thirty (30) calendar days before the bid becomes effective. The bid results will be posted at least ten (10) calendar days before the bid becomes effective. Shift is defined as meaning regular start/end time and scheduled days off. Seniority shall be used in the selection process. At the Employer’s discretion, employees may be moved from the shift schedule they bid to a Monday through Friday 7:00 a.m. to 3 p.m. shift schedule and/or returned to the shift schedule they bid.
B. Employee initiated shift movement due to a shift bid shall not obligate the Employer to pay overtime when initiating the new shift schedule.
C. Once a vacancy is determined to be filled, the shift will be posted for bid within the classification in the individual department. Each shift will be filled by seniority and a new shift will be posted and bid until the least desired shift is left. The least senior in the classification shall assume the last available shift.
ARTICLE XII
GRIEVANCE PROCEDURE

Section 1 - Informal Resolution
It is the intent of the parties to this Agreement to use their individual and collective best efforts to promote and encourage the informal and prompt adjustment of any complaint which may arise between the Union or any member covered under this Agreement and the Employer.

Section 2 - Definitions
For the purposes of this grievance procedure, the following definitions shall be applicable:

Grievant - shall mean any member covered under this Agreement or the Union in behalf of all members in the unit, who, pursuant to the terms of this Agreement, seeks resolution for a grievance.

Grievance - is an allegation by the grievant that any express provision or term of this Agreement or any of the written policies of the Employer expressly incorporated elsewhere in this Agreement has been violated by the Employer. A grievance shall be submitted as a written and signed statement setting forth all known facts material to the alleged violation including the specific contractual provision alleged to have been violated or in dispute.

Day - shall mean a working day, Monday through Friday, exclusive of any Employer approved holiday.

Section 3 - Waivers
1. The dismissal of a probationary employee shall not be a grievable matter. The employer agrees to discuss the reasons for the dismissal of a probationary employee with a union representative in a timely manner.
2. An employee notified of a discharge action who wishes to challenge said action may elect either:
   a) to follow the procedures for review specified in the Rules and Regulations of the State University Civil Service System, or
   b) to file a grievance pursuant to the grievance procedure of this agreement.

If the employee elects to follow the procedures of the State University Civil Service System, such action shall effectively waive any rights which either the employee or the union might otherwise have to use the grievance procedure provided herein, with respect to the said discharge. The law provides, and the parties have agreed, that appellate rights from a Merit Board decision are those prescribed in the Illinois Administrative Review Act.

Section 4 - Dialogue
An employee having a misunderstanding or who wishes to offer a complaint regarding employment may consult with the immediate supervisor. The supervisor may consider and attempt to resolve or adjust such issues.
Section 5 - Procedure

Step 1 - Within five (5) days following any violation giving rise to a grievance, and the grievant was or should have been aware of the violation, the grievant may submit a written grievance to the appropriate department head. The department head shall first review the grievance and then personally discuss the issue with the grievant. Every effort shall first be made to conciliate the matter. Should conciliatory efforts not resolve the matter, the department head shall render a decision regarding settlement or denial of the grievance and shall forward a copy of the grievance and the decision in writing to the grievant and to the Department of Human Resources within five (5) days following receipt of the grievance. The grievant retains the right to have the Union Spokesperson present at any discussions between the grievant and the department head.

Step 2 - Should the grievance not be resolved in Step One (1) to the mutual satisfaction of the parties, the grievant may appeal the grievance to the Director of Human Resources within five (5) days in writing following receipt of the department head's response. The Director of Human Resources shall first review and investigate the grievance and the history of actions taken in Step One (1) and then personally discuss the issue with the grievant and the Union within ten (10) days of the receipt of the grievance. Every effort shall first be made to conciliate the matter. Should such conciliatory efforts not resolve the matter, the Director of Human Resources shall render a decision regarding the settlement or denial of the grievance and shall forward that decision in writing to the grievant and the Union within ten (10) days following the meeting with the Union.

Step 3 - Failing to reach agreement on any grievance through the procedures stipulated in Steps 1 and 2 of this Article, the Union may appeal the decision to arbitration within fifteen (15) days following receipt of the response under Step 2 above. The appeal shall be in writing and submitted with a copy of the grievance to the Director of Human Resources.

Section 6 - Arbitration

The Director of Human Resources and the Union shall attempt to agree upon an arbitrator, but if they are unable to do so within ten (10) working days of the written notice to arbitrate, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators. Either party may reject one panel and the parties will submit a request for a new panel. The parties shall alternately strike the names of three (3) arbitrators, taking turns as to the first strike. The remaining person shall be the arbitrator who shall be notified of their selection by a joint letter from both parties requesting that a date and time for the hearing be established subject to the reasonable availability of the parties.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The Employer or the Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its own witnesses who are not employees of the Employer. The Employer shall not be obligated for payment of employees' travel expenses and/or time spent outside of the employees' normal working hours.
Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination of the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the grievance. The arbitrator shall have no authority to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement.

The decision and award of the arbitrator shall be final and binding on the Employer, Union and the employee or employees involved. The expenses and fees of the arbitrator and the cost of the hearing room shall be shared equally by the parties.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy, it shall pay for the cost of that copy.

Section 7 - Advancement of Grievance
Failure to respond by the Employer’s representative at any step does not find in favor of the grievant, but automatically advances the grievance to the next step of the grievance procedure, except arbitration. Failure of the grievant or the Union to advance a grievance during the time period specified by these procedures shall be construed that the grievance has been resolved to the satisfaction of the grievant. The time limit at any step may be extended by mutual agreement by the parties involved at that step.
ARTICLE XIII
NO STRIKE

Section 1 - No Interruption of Service
The Union recognizes and agrees that the employees it represents will provide the
Employer service on a continuous basis. The Union and its members hereby agree that
during the term of this contract there will be no interruption of this service due to any
strike, walkout, work stoppage, slow down, picketing, or other activity which interrupts
services. No employee may refuse to report to work or refuse to work due to the
existence of an informational picket line.

Section 2 - No Lock Out
The Employer hereby agrees that during the term of this contract there will be no lock
out of its employees.

ARTICLE XIV

and may not be worn during non-work hours except during the commute to and from
work. At the discretion of the Employer, reasonable replacements of shirts and/or
uniforms will be provided by the Employer.

Section 2 - Parking
During the term of this agreement, the parties agree to accept the operating and
regulatory parking policies, including the parking fees established by the University.
The University agrees that bargaining unit members will be subject to the same fees
and regulations as other employees not covered by this agreement.

University, President, or the Union may be performed by a designee of such official or
representative.
