

Medical report form/physical

All students participating in Study Abroad must complete a Medical Report form for their chosen program or Study Abroad Course. These forms are included in the individual student acceptance packets or found on the Study Abroad Course webpage. Forms are specific to the destination due to variances in health circumstances on-site.

Physicals can be obtained at a variety of locations including:

- **Beu Health Center**—An appointment is needed. Appointment times are 8:15 am-3:15 pm Monday through Friday. Please understand that this is a busy time of year for them and it may be a couple of weeks before they can get you an appointment. Priority may be given to patients who are ill. The cost of a physical at Beu is \$20-\$25.

- **Your personal health care provider**—You can contact your personal health care provider about a physical. Please make sure to allow time for your provider to send the medical report to Beu for processing. You can request that your provider fax the forms to Beu. ***If you see your own provider, you need to let us know so we can request the correct information from Beu.***

- **MDH Convenient Care**—Located inside the Hy-Vee store, they offer walk-in hours and are another local option for getting the physical. They are open 9 am-7 pm Monday-Friday, 9-6 Saturdays and 10-4 Sundays. No appointments are taken; all services are first come, first serve.

If you have WIU Student Health insurance, you are responsible for paying the cost of the exam at the time of service. If you have other insurance, you should contact your insurance company to see if a referral is needed prior to the exam. You may contact them at 836-1700 for more details on cost and payment options. Appointments at Convenient Care start at \$54 but you will want to check the exact cost.

Please make sure to allow time for MDH Convenient Care to send the medical report to Beu for processing. You can request that they fax the forms to Beu. ***If you see MDH Convenient Care, you need to let us know so we can request the correct information from Beu.***

For all locations, please make sure you take the forms with you as none of the providers have copies of the forms. Please read and follow the instructions at the beginning of the forms. It is important that you have completed your part of the forms BEFORE your appointment.

Questions? Please contact the Study Abroad Office at 298-2504 for more details.
