

## Who We Are

The Library Atrium Society was created to support the Western Illinois University Libraries' collections and services through established funds and endowments. The dollars generated through membership support the libraries' efforts to expand educational resources for our students, faculty, and the general public.

Alumni, students, faculty, staff, and community members who make a monetary or in-kind (e.g., books, DVDs, CDs, journals, etc.) contribution receive membership into the Library Atrium Society. Please consider giving to the Library Atrium Society Fund at one of the membership levels listed on the next panel.

Faculty and staff of the University are welcome to contribute to the Library Atrium Society through payroll deduction. Payroll deduction forms are available through the WIU Foundation in Sherman Hall 303.

Thank you for believing that University Libraries play an integral part in each student's learning experience.
