Greetings from the Library Atrium Society at Western Illinois University!

The Library Atrium Society supports the Western Illinois University Libraries’ collections and services through established funds and endowments. The dollars generated through membership support the libraries’ efforts to expand educational resources for our students, faculty, and the general public.

Alumni, students, faculty, staff, and community members who make a monetary or in-kind (e.g., books, DVDs, CDs, journals, etc.) contribution receive membership into the Library Atrium Society. Please consider giving at one of the Library Atrium Society membership levels listed on the next panel.

Faculty and staff of the University are welcome to contribute to the Library Atrium Society through payroll deduction. Payroll deduction forms are available through the WIU Foundation in Sherman Hall 303.

Thank you for believing that University Libraries plays an integral role in each student’s learning experience.

Membership Levels

Gardener $1,000 and above
Naming an Atrium plant in the donor’s honor or in memory of a loved one

Cultivator $500 - $999
Two tickets to the Right Place Tent Luncheon during Homecoming and a copy of the book Western Illinois University: The Campus History Series

Our Mission
University Libraries is engaged with a community of individuals dedicated to learning, who will have a profound and positive impact on our changing world through the interaction of instruction, research, and public service. The University Libraries also supports the education, research, and information needs of the faculty, the university administration, staff, and the people of the region by making its rich collections and information services available anytime and anywhere.

The Library Atrium Society
The Library Atrium Society is the catalyst for annual giving for the Western Illinois University Libraries. The gifts generated each year through membership in the Library Atrium Society support the University Libraries' collections and services through established funds and endowments.

Annually, University Libraries has needs to improve facilities and services. These improvements cannot be budgeted, as our budgets are too tight for operating costs. The Library Atrium Society has helped fund the following in the past two (2) years:

• 31 computers for the Library computer classroom in Malpass Library
• 10 iPads for the Curriculum Library
• A $1,000 Study Abroad Library Student Assistant Scholarship
• Two (2) cameras, five (5) camcorders and 20 digital voice recorders, available for checkout in the Digital Commons
• Two (2) printers for the second floor of Malpass Library
• Special events, including the Physical Sciences Library’s Forensic Series, the Music Library’s Restoration Cathedral Music Symposium, and numerous receptions
• Recovering of 35 chairs in Malpass Library
• Potting soil for the over 2,000 plants located in Malpass Library

Library Atrium Society members provide essential financial support to better University Libraries—financial support that the budget cannot fund but that is essential to our mission. Our needs going forward include the following:

• Capital facility projects
• Technology (computers, printers, iPads)
• Scholarships
• Library equipment (tables, chairs, study areas)
• Events (speaker series, exhibits, receptions)
