

LIBRARY STUDY ROOMS

Study rooms are intended for small groups working on collaborative projects. They are unlocked and available on a first come, first served basis. We do not reserve them.

- **Individual Study Rooms** can accommodate two people.
- **Group Study Rooms** are large enough for several people. Since groups have priority over individuals, an individual may be asked to move if all other group study rooms are in use and a group is waiting.

Designated study rooms:

<u>3rd Level</u>	<u>4th Level</u>	<u>5th Level</u>	<u>6th Level</u>
331 (group)	438 (group)	533	633
