

General Tours of the Library:

The Reference Unit offers general building tours at the beginning of the fall and spring semesters. Tour times and dates will be posted but you may also call 298-2700 for exact time and dates.

Tours for General Public:

The University Libraries is strongly committed to serving all of the citizens of West Central Illinois. The beautiful building and the collections it holds provide the focus for the academic research of the WIU campus and are a source of pride to the community.

Anyone from the area can be enrolled as a user of the Library and has access to many of the services available there. Guided general tours may be conducted for adult groups if staff schedules allow and if enough advance notice is given.
