Arrangement: Random

This record series consists of agreements between WIU and foreign educational institutions concerning student exchange and other types of academic study. Files also include descriptions of events related to the agreement, promotional activities for the student exchange, and supporting correspondence. Agreements vary in duration. The Department of International Studies (separate from the Travel Abroad Program in Continuing Education) maintains "Student and Faculty Exchange Program Contract and Agreement Files" for five (5) years following expiration per item #98 of application #85-149.

Recommendation: Retain in office for five (5) years following expiration of agreement, then dispose of provided all audits have been completed under the supervision of the Auditor General, if necessary, and no litigation is pending or anticipated.
