Federal Publications

Federal publications are shelved by executive office, agency, or congressional committee, instead of by subject. They are classified using the Superintendent of Documents call number system (SuDoc for short), an alphanumeric system where all numbers are whole numbers (not decimals!) separated by punctuation, including periods, slashes, dashes, and *always* a colon.

**Examples:**
- D 301.82/7:K 96
- Y 4.ED 8/1:104-21
- Y 3.AT 7:22/WASH-

If you need help finding materials in this collection, you can ask at the 4th floor Government, Legal, Spatial, and Data Services Office (weekdays), the Reference Desk or Access Services both located on the 2nd floor.

**We keep statistics on books that are used. Please do not reshelve.**
