

Department of Mathematics – Teacher Education Courses
One year snapshot with number of sections needed[†]

		FL	SP
Macomb Campus	Courses offered every semester	106 x 4 206 x 3 364 x 4 366 x 2	106 x 3 206 x 4 364 x 4 366 x 2
	Courses offered every year	303* 367 402 407 507 439	304 362 406 408 607
	Courses offered every other year		
	Online courses	500/505	503
Quad Cities Campus	Courses offered every semester	364 x ? 366 x ?	364 x ? 366 x ?
	Courses offered every year	367 507	607
	Courses offered every other year	406 odd yr /407 even yr	402 odd yr /408 even yr
	Courses subject to change depending on student demand	501/502	501/502
Courses not on a regular rotation		508, 509, 550, 598, 599	

Summer Notes:

- The Department regularly offers a mathematics education course in the Quad Cities each summer (e.g., 508, 599).
- The Department frequently offers one semester hour courses (e.g., 550, 598, 599) in the summer on the Macomb campus.
- Other courses are typically offered via external grant funds.

Printed: 4/25/2005

[†] Best estimates at this point. Sharon Butcher can supply projections by specific semester from her database.

* If not otherwise specified, one section of each course.
