Preparing Today's Students for Tomorrow's World

The 56th Annual ICTM Western Regional Conference

Math matters in our technological society.

Math matters in our global marketplace.

Math matters as students prepare for college.

Math matters in our classrooms!

Plan now to attend the conference focused on why

Math matters and what matters when teaching mathematics!

This conference will immediately precede the
The 2007 Annual Meeting of the Illinois Section of the MAA
also held at Western Illinois University in Macomb, Illinois.
