MUS 501 section 1 – Ensemble Performance

- Students will receive *one* permission per semester for MUS 501 section 1 from the graduate advisor, which may be reused to register for a maximum of four ensembles in a given semester, one credit each. This includes large ensembles as well as chamber groups.
- All ensembles, including chamber groups, must have a faculty member sign as a supervising instructor, who will then provide the graduate advisor with the student's grade at the end of the course.
- Students must print out this form and return it with faculty signatures to the graduate advisor **by the end of the second week of the semester**. It is the student's responsibility to do this every semester in which he/she is registered for MUS 501 section 1.
- For chamber groups, please list specific instrumentation (e.g., string quartet, piano trio, brass quintet). Chamber groups that continue from Fall to Spring must re-register for the course.
