Institutional Research Data

1. Institutional Research will provide departments with 5-year data through Fall 2010 on July 1. Early in October, departments will receive data through Fall 2011.

2. Available online at http://www.wiu.edu/irp/ are the following data:

    a. Program Review Dataset: Compares WIU programs with programs having the same six-digit CIP code at other Illinois Public Universities. Includes fall enrollment, fiscal year degrees conferred, undergraduate discipline cost per credit hour and undergraduate credit hours per staff year.

    b. Total Student Credit Hour Production
