Secretary Report: This is the first CSS meeting for Fall 2017

Treasurer Report: No treasurer's report.

SGA Report: The first meeting was August 29 at 5:00 and will be held every other Tuesday thereafter. A Senator had not been elected therefore was not present for the first meeting.

Old Business:

Dr. Young passed around a list of the CSS activities and dates of the past to show examples of what the group had participated in.

New Business:

Participation in the NAMI Walk was discussed. NAMI Walk is September 23 at 8:30. Madison sent everyone's email who was wanting to participate to Tyler Carter, Psychology Club President, to get registered. The goal is to have many people to show and hopefully exceed Ambrose's turnout! Participants will represent WIU colors.

Future activities that we spoke about were a kickball tournament, participating at the Noogiefest hosted by the Gilda's club which host a Halloween party for children with cancer, volunteering at Gigi's playhouse which is a down syndrome achievement center. We talked about attending the Exonerated Diaries by Alison Flowers at Moline Public Library on September 16 at 3:00.

We discussed the possibilities of having field trips to or having speakers from Mediacom, Girl Scouts of Eastern Iowa, Paula Sands, and Amy Spellman, Director of WIU Alumni Events.

We elected officers which are as follows:

President: Madison Krause

Vice President: Shawna Lange

Treasurer: Jamie Delaney

Secretary: ShoShanna Wingert

Senator: Ju Williams

Public Relations Manager: Lisa Amlong

Meeting adjourned. Officers stayed behind to talk about the responsibilities of the positions.
