SGA Report: Senator will report that we will participate in Noogie Fest and Minions will be our theme.

New Business:

Spoke about how we could help with hurricane Harvey and how we could participate in the food drive. We may sit outside Hy-Vee and ask for can goods. Also spoke of participating in feeding the hungry for Thanksgiving.

Brain stormed for more activities in October. PR group has a list that we may contact as speakers. May partner with other societies for group activities.

Research employment opportunity is available related to environmental science. No prior research background required but students must be analytically strong and willing to learn new computer skills. Students are paid hourly and they work on campus. Requires student to have a 3.0 GPA average. Students may contact Dr. Ranbir Kang for more information.
