### **5:03 SGA Macomb Meeting**

We met with members of the SGA executive cabinet last week to talk logistics regarding both campuses getting together for events. The WIU-QC SGA executive cabinet has another meeting with the Macomb SGA next week to further discuss scheduling and types of events students might interested in attending. Jesse asked everyone attending today's meeting to go back to their student organizations to see if we can get an idea for what type of event we would like to see happen with the Macomb SGA students in the future. Inviting the Macomb SGA students to Casino Night seems to be the current popular option for a meet and greet. More information to come after next week Macomb meeting.

### **5:08 Stress Week**

The Psychology Club, CSS, CJS events, and therapy dogs have all been added to the stress week schedule. The Psych Club will hold a study lounge on Thursday, December 6<sup>th</sup> from 12-3pm. ### **5:11 Student Organization Updates**

**SRA** - The Halloween Bloc Party was very successful with 60 kids attending. SRA would like to thank SGA for providing the pizza and GEMS for running one of the rooms. SRA would like to do this event again next year and will hopefully have an idea for contributing to Stress Week.

**GEMS** – They will be traveling to Des Moines on November 30<sup>th</sup> to visit cultural sites in the area. A lecture is scheduled at the Des Moines capital building and Art Center. They will try to visit at least 8 sites, but more information on this will come at a later time. GEMS had a lot of fun participating in the Halloween Bloc Party this year and will discuss providing coffee and donuts for Stress Week at their next meeting.

**CJS** – There is a Treasurer spot open right now for the CJS and will be posting information about it in the Rocky Review. CJS will be providing the Moline Police Department lunch this Friday and hopefully get to take a brief tour of their facilities. CJS is currently trying to plan a breakfast for next semester at the QC Pancake and Coffee House.

**ACE** – Will be hosting a trivia night soon for engineering students to meet other engineering alumni. This event will be scheduled for Thursday, November 8<sup>th</sup> from 6-8pm in rooms 103 and 104. Looking to set up a few tours in the near future at businesses like John Deere and Arconic.

**SOE** – They are rescheduling their regular meeting time to gain better attendance with education students. A survey was passed out to SOE members to decide what day and time would work best in the future. SOE has been in contact with Officer Williams from the Rock Island County Police Department to check availability for an in-class ALICE training. This would be open to anyone who is interested in attending. SOE is working with Dr. Logan to help start an education club with Moline High School students who are interested in becoming Education as a career. SOE will also continue to look at ideas for Stress Week events.

**SOA** – There was a scheduling issue with their last professional quest speaker and will have to reschedule for the Spring semester. SOA's next and final professional guest speaker for the semester is scheduled for November 29<sup>th</sup> over advisory services for small businesses and entrepreneurs.

**LASSO** – The Social Entrepreneurship Salon last Wednesday went well. LASSO is planning a movie night scheduled for Tuesday, November 6 from 3:45pm. LASSO will cover the first 20 tickets and will be eating at Buffalo Wild Wings before the movie. They are also planning a Chicago trip to the Shedd Aquarium on Monday, January 21<sup>st</sup>. Currently, a \$20 deposit per person is expected, but more updates regarding price will come later.

**Psych Club** – The event on Creepiness went well with over 60 people attending. There was a lot of enthusiasm expressed and plenty of Q/A after the talk. They would like to talk about scheduling something like this again for next year. The Psych Club's next event will be a three panel talk on Mind Body and Soul on November 29<sup>th</sup> from 3:30 – 4:30pm in room 111. Could be getting a hypnotist for this event. Will be hosting a study lounge on Wednesday, December 6<sup>th</sup> from 12-3pm for Stress Week.

**IDEAS** – They had a nice turnout for their Poe In The Park event and those that attended seemed to enjoy themselves. They had to cancel their meeting at the Putnam Museum, but they will reschedule the meeting for a later date.

**CSS** – They had a guest speaker from WQPT to talk about internships in broadcasting and communication. For these internships you will be learning how to develop capital campaigns and shoot documentaries. The internship will be unpaid but will count towards college credits.
