5:02 Casino Night

Volunteers – John is sending the sign-up sheet to Mary Kate for SRA members to sign up this Thursday. Two outside individuals have contacted John and Curtis that have shown interest in volunteering. After this week, we should be close to having all the volunteers needed. Jesse once again asked all senators to go back to their groups to see if any members are interested in volunteering.

Prizes – We are short on prizes right now. Jesse has asked all senators to reach out to their members and ask them if they are getting prizes for Casino Night and if they are, they need to be acquired and turned in by Friday.

Logistics/Marketing – Dan has organized some posters and made smaller versions to pass out during tabling. After the meeting the executive cabinet will stay after to discuss a tabling schedule.

5:04 Organization Budgets

Organization Budgets are due by next Friday. Jesse reminded all student organizations that its very important these get filled out and turned in. In the past, some organizations have neglected to follow through and we would like to see every organization avoid this.

5:04 Elections

If you plan to run for office for the Fall of 2019 your packets are due tomorrow. All positions are up for reelection. The packets are available at the Building C desk and online. In the future, SGA may want to do some marketing to advertise elections, to get students aware and more involved.
