Phone: 309/298-2446
FAX: 309/298-2353

I want to be considered for additional loan eligibility (up to \$1,000) for the purchase of a computer for the 2021-22 academic year. I have attached a receipt, lay-away slip, or price quote dated between July 1, 2021 and June 30, 2022 which contains the following items:

- date of purchase/quote
- name of the retailer
- an itemized list of hardware
- total cost of the computer

I understand the following:

- If I have borrowed the maximum annual federal loan limit, I may have to apply for a private alternative loan or my parents may have to apply for a Parent PLUS Loan. (See information about alternative and PLUS Loans in the Loan section of www.wiu.edu/fa).
- If a loan is processed, loan funds will be applied to my university account.
- If I owe a balance on my university account, I may not receive a refund for computer costs.
- **I understand I will be contacted through my WIU e-mail account after review is complete.**
