NEW VERIFICATION PROCESS FOR 2012-13!

We cannot accept a copy of your tax return unless you filed an amended tax return or a Puerto Rican or foreign tax return.

1. The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2011 IRS income tax information into your FAFSA. Make sure you also submit the FAFSA for correction after transferring the tax information.

For additional help, see the IRS Data Retrieval Tool video tutorial at http://www.finaid.ucsb.edu/Media/Videos/1213/English/IRSDR%202012_controller.swf

2. If you are unable or choose not to use the Data Retrieval Tool, use the instructions below to request your IRS tax information.

Note: IRS tax information is usually available to retrieve or to request 2 weeks after filing electronically or 8 weeks after mailing if you do not owe a refund. If you owe a refund, your 2011 tax information might not be available until after May 14, 2012.

Note: The IRS Tax Return Transcript and Tax Account Transcript request process may not allow multiple transcript requests for the same year. **Please keep your original transcript(s) and send us a photocopy.**
