New Live Stream Dual Enrollment
Fall 2020 Course Options

Beginning Fall 2020, WIU offers High School students two new options to earn college credit, meet faculty, and experience university courses.

**POL 122 American Government and Politics**
*Schedule: Monday & Wednesday, 8:00 a.m. – 9:15 a.m. Aug 24-Dec 18*
Development, organization, powers, limitation, and practical problems of the governmental and political system of the United States. Topics include the Constitution, voting and elections, media role in politics, the presidency, congress, the court system, and civil rights and liberties. This course also covers the campaign and 2020 presidential election results. (General Education/Social Sciences, IAI: S5 900)
Tuition $296* + Textbook estimated $80-$90.

**PHYS 101 Introduction to Astronomy**
*Schedule: Tuesday & Thursday, 8:00 a.m. – 9:15 a.m. Aug 24-Dec 18*
A basic introduction to modern astronomy, examining the physical principles of telescopes, gravity, radiation and atoms, the solar system, stars, galaxies, and cosmology. No Physics or Mathematical background beyond high school algebra and physical science is assumed. (General Education/Natural Sciences, IAI: P1 906)
Tuition $296* + Free Openstax astronomy textbook and Stellarium software.

*Cost based on 2019-2020 academic year.
