3. A warrant for an individual’s arrest may be filled out at the Jail prior to the event that you want them to be in the jail at. (There will be time the Friday before and an hour before boat to do sign ups.) You will need a “reason for arrest”, the individual’s name, what team they are on, and how much time they sit in jail.
4. The individual that is arrested must stay in jail for the amount of time stated on the warrant or until the current member is bailed out of jail by raising enough money to reach the amount posted for bail. (Ex: If a team member is put in for 1 min which equals $1, someone would have to put $1 in to bail them out of jail, this bail money will also go towards team totals of money raised.
5. Each member can only spend a maximum time of 30 minutes on Jail.
6. No individual can be forced to go to jail or may be bribed with money or by other means to enter the jail.
7. An individual can pay extra money to have the person in jail change into a funny costume (provided by the Homecoming Committee) while being in jail. ($2 extra)
8. While in Jail no member can “break out” unless their time in jail is up or they are bailed out with the correct monetary amount paid by fellow teammates.
9. Team members of the individuals in jail can pay the remaining time left on their teammate’s sentence and release them from jail.
10. The ‘Reason for Arrest’ must be in good taste. If a member of the Homecoming committee deems the ‘Reason for Arrest’ to be inappropriate or in poor sportsmanship the warrant will not be filled and a refund will not be provided.
11. Entire organizations or groups cannot be sent to jail. One warrant is to be filled out for each individual.
