

CENTER FOR MILITARY/ACADEMIC TRANSITION AND HEALTH

VA | U.S. Department
of Veterans Affairs

The Center for Military/Academic Transition and Health (CMATH) can help veterans transition between service, deployment, and civilian/college life.

Confidential tele-mental health services are available, as well as transitional educational materials.

This service is available to WIU students as well as to Community Veterans.

Tele-mental health evaluation and treatment is provided at the CMATH Office through secure video conferencing between the Veteran and healthcare providers/counselors from the Veterans Health Administration at Iowa City.
