

ADA PARATRANSIT SERVICE

Eligibility Information Sheet

What is the ADA (Americans with Disabilities Act)?

The American with Disabilities Act (ADA) is a civil rights law. The intent of the ADA is to remove barriers that have prevented people with disabilities from fully participating in life. Under the ADA, Go West buses are to be the primary means of public transportation for everyone, including people with disabilities.

The Americans with Disabilities Act requires that complimentary paratransit (curb-to-curb) service be available to persons who, because of a disability, are unable to use the regular bus system.

McDonough County Public Transportation (MCPT) either operates or provides funding to operate this service in Macomb.

Service Boundaries

The service boundaries for complimentary paratransit services provided by McDonough County Public Transportation in conjunction with Go West Transit are the municipal boundaries of the city of Macomb.

Eligibility

Eligibility for paratransit service is based upon a person's functional inability to use regular Go West bus service. Three categories of persons who are eligible for paratransit are established by the ADA.

Category 1

Any person who is unable, because of a disability, to independently board, ride, and/or disembark from a lift equipped bus. This includes persons who are unable to "navigate" Go West's system without the assistance of another person.

Category 2

Any person with a disability who is able to use a lift or ramp equipped bus, but for whom any desired trip cannot be made because the fixed route he/she wants to ride is not operated by a lift equipped bus. Currently 100% of Go West's regular buses are ramp equipped. Persons in this category may not be eligible for paratransit service.

Category 3

Any person with a disability who has a specific impairment-related condition that prevents him or her from traveling to or from a boarding or disembarking location.

Conditional Eligibility

Some people with disabilities may be able to use the regular Go West bus service under certain conditions, but not under others. Therefore, eligibility for paratransit for some people will be determined on a trip-by-trip basis.

Temporary Eligibility

A person with a temporary disability will be eligible for paratransit service if the disability results in his/her functional inability to use the Go West bus system as described in the three eligibility categories. Temporary eligibility may be granted up to the amount of time recommended by a medical professional.

Visitors

If you are eligible for paratransit services by another agency or have a disability and plan on visiting our area, you may be given "presumptive" eligibility to use paratransit services for up to 21 days. Visitors should complete only part A of this application and return it to Disability Support Services.

In-Person Evaluation

It may be necessary for some paratransit applicants to participate in an in-person evaluation to determine eligibility for paratransit services. Notification will be given if this will be required.

Mobile Assistive Devices

Mobile assistive devices included in the complimentary paratransit service may not exceed 30" (width) and 48" (length) and may not exceed 600 pounds when occupied.

Right to Appeal

Persons who are denied eligibility for paratransit services have the right to appeal the decision. A request for appeal must be filed in writing within 60 days of the denial of the application. The Appeals Committee will review your appeal. Appeal decisions are made within 30 days of their delivery.

Renewals

Paratransit eligibility may be granted for up to four years. New applications must be submitted to renew service. Renewal applications should be submitted at least 30 days prior to the expiration date of your eligibility period. To request an application, please call 309-837-7433, or visit our website at www.gowest.wiu.edu.

Submit completed applications to the Disability Resource Center at WIU. You will be notified in writing whether or not you are eligible within 21 days of DRC receiving your application; however, incomplete applications may take longer to process. Please include a color photo of yourself no smaller than 1.5 inches x 2 inches. Photos cannot be returned. You may also visit the DRC department to have your photo taken. If you need further assistance with your photo, please call (309) 298-2512.

Travel Training

Go West offers free one-on-one training to teach people with disabilities how to ride the regular city buses. Call Go West for Travel Training information at 309-837-7433.

To request this application in an alternative format (Braille), please call DRC at 298-2512.
