I am requesting a special review of my 2022-23 financial aid application because my parents had a rollover on their 2020 tax return.

I have attached **ONE** of the following:

- A copy of my parent's 2020 Form 1099-R showing a [rollover code \(pages 16-19\)](#),

OR

- A **signed** copy of my parents' 2020 Federal 1040 showing a rollover was indicated on line 4.
