Course (s):

The 5th Annual H.O.P.E. Awards is an opportunity for you as the student to recognize your professors' excellence. Each year students from all of the Residence Halls on campus nominate professors who have made an impact on your educational experience here at Western Illinois University. All professors nominated by students will be honored at a reception on April 2nd at 12pm in the Lincoln Room on the 2nd floor of the Union.

On the following page please give a brief description (max. 500 words) of how your professor impacted your educational experience at Western Illinois University. This could be a story, an overview of your experience in the class, or anything else that would make the UHDS academic committee understand how your professor made your collegiate experience better. Some things to think about are how your professor has made the material fun or challenging or what has your professor done to engage the class and promote learning.

Thank you in advance for your nomination. Please email your nomination to ME-Thurston@wiu.edu or turn in to your Residence Halls' front desk.

Nominations are due by March 23, 2012
