

2+2 Degree Plan

Agriculture - Agricultural Science

How 2+2 Works

- The 2+2 is a four-year plan that leads to a Bachelor of Science (B.S.) degree in Agriculture at WIU. Students will fill out applications for both schools, consult the advisors and catalogs from both schools for specifics. This completion guide is designed to ensure graduation in four years by taking courses at both BHC and WIU. This guide assumes students have met all course prerequisites required by BHC and admission requirements for WIU.
- Upon completion of the first two years' requirements at BHC, students will receive an Associate of Arts (A.A.) degree. Students will be required to complete the Agricultural core requirements at WIU, and upon completion of the final two years' curriculum requirements students will receive the B.S. degree with a major in Agriculture - Agricultural Science at WIU. In general, a minimum of 60 semester hours (s.h.) will be taken at BHC at BHC rates and 60 s.h. from WIU at WIU rates.
- A minimum cumulative grade point average of 2.00 should be achieved by the junior year. These grade point averages must be maintained for graduation as an Agriculture - Agricultural Science major.

Get Started

You can apply at WIU in two ways:

1. Be a part of our Transfer Admission Guarantee program (TAG) by filling out our admissions application at wiu.edu/apply and selecting TAG. You can be a part of TAG at any point *prior* to earning 30 credits at your community college. Go to wiu.edu/tag to find out more about this program.
2. Fill out the admissions application at any time and select the date you would like to transfer into WIU.

The 2+2 degree map is a four year plan that leads to a Bachelor of Science degree in Agriculture - Agricultural Science at Western Illinois University and the Associate in Arts at Black Hawk College. Students intending to complete the degree from WIU should follow the list of courses outlined in this brochure.

This 2+2 degree map has been reviewed and accepted by both schools as an illustration, which is subject to change.
