Computer Resource Centers:

Computer Resource Centers (CRCs) are located in classroom buildings that do not offer student staffed computing labs. These locations are typically open 8:00 am – 4:30 pm weekdays when school is in session. CRCs are unstaffed so most are equipped with a phone for access to the Support Center (309-298-2704) for technical support.

The summer locations are as follows: Leslie F. Malpass Library (1st and 3rd floors), Sallee 108 Music Library, The Writing Center (Library 3rd), Stipes 126, and University Union Concourse.

Note: University Union and Malpass Library CRCs are open when the building is open.

Schedule changes will be posted in individual labs.

All locations have networked Mac and Windows computers and printing via release station.
