Call for Panel Participants and Information Tables

WIU-QC invites students, educators, businesses, and community organizations to a “share fair” focused on sustainability. Join us for a lively afternoon of sharing, including panels, information tables and more. The deadline for 200-word proposals is March 5, 2013. Please send these to Dan Malachuk at ds-malachuk@wiu.edu.

This event is free and open to the public. Join us!

For more information about the event, please contact any of the planning committee:
