I. Accomplishments and Productivity for FY10

A. Give a brief review of the division’s goals and objectives for FY10.

- Meet or exceed Admission goals for FY2009-2010
- Continue residence hall, dining center, and sprinkling system renovation
- Utilize the completed UHDS Building Assessment to determine future campus housing plans
- Support campus efforts to improve student retention to graduation
- Support and advance our intercollegiate athletics department to a level of competitive success within our respective conference, while enhancing the overall student-athlete experience
- Successfully open and integrate the Women’s Center, Casa Latina, and Brooks Cultural Center into the daily functions of the new Multicultural Center
- Seek additional support for Financial Aid
- Continue assessment and planning efforts toward a comprehensive alcohol education program
- Continue to enhance the Veterans Assistance Program on campus
- Continue to support the Division of Student Services technology goals and plans
- Continue to plan and design University Union renovations – e.g. Elevator to Heritage Room
- Develop a fully integrated virtual bookstore
- Build a new pro shop and cart storage facility at Mussatto Golf Course
- Plan and complete a new GoWest garage
- Expand late night/non-alcohol program options
- Determine appropriate use of the building now housing the Cinema theater
- Continue development efforts within the Division of Student Services

B. List the most important divisional accomplishments for FY10 and document how these accomplishments support the goals and objectives of the University, including specific Strategic Plan accomplishments.

1. Meet or exceed Admission goals for FY2009-2010
   
   **Goal:** to achieve optimum controlled enrollment
   **Goal:** to support learning inside and outside the classroom

   - Enrollment goals for fall 2009 were not met.
   - Noel Levitz has been contracted for consulting to make changes and improvements to attract more students and increase enrollment.
   - Freshman applicant pool for fall 2010 is on track to exceed 8,000 applications the fourth time in four years.
   - We anticipate an increase in transfer student applications.

2. Continue residence hall, dining center, and sprinkler renovations in residence halls
   
   **Goal:** to provide safe, accessible, responsive campus environments that meet the needs of University constituencies

   - **Fire Suppression Installations** – In August of 2009, the Tanner Hall sprinkler retrofits were completed. 9 of 10 Residence Halls are in use with active fire suppression systems. This is being funded by a bond issue and repaid through the Life Safety and Enhancement fee.

3. Utilize the completed UHDS Building Assessment to determine future campus housing plans
   
   **Goal:** to provide safe, accessible, responsive campus environments that meet the needs of University constituencies

   - Building Exterior and Thompson Hall Siding Assessment - Wolpert Inc. successfully completed an assessment on the Thompson Hall Siding.
   - Elevator Modernizations - Tanner Hall elevator modernization was completed in August of 2009 and encompassed 4 passenger cars. 9 of 10 Residence Halls have modernized elevators.
• Programming Study and Design for a Corbin Olson Renovation - In July of 2009, we began the programming study and subsequent design process for the Corbin- Olson Renovation. The project is scheduled for construction bids to go out during the summer of 2010. The Corbin-Olson Complex will remain off line for a period of 2 years and reopen in the Fall of 2012. We continue to work with the Universities Financial Advisor to secure funding for this project through the sale of bonds. This sale is planned for the summer of 2010.

• South Quad Dining - We have selected FWAI Architects to design a new roof and Air Handling unit for the building. This project will take place late in the summer of 2010.

• International House Furnace - Two new furnace units in the International House.

• Lincoln Washington Remodel - We have selected BLDD architects, to lead the design work for a bathroom renovation for the Lincoln and Washington Halls. This project has been reduced from its original scope and no longer includes the removal of the fixed furniture.

• Closing of Wetzel - Wetzel Hall was successfully closed in the fall of 2009. We have not made any progress to date on decommissioning this building.

• Tanner Hall conversion to Double Rooms - We successfully completed this conversion during the summer of 2009. Additionally, a $250,000 renovation to create a Tanner convenience store as well as a new computer lab was completed.

4. Support campus efforts to improve student retention to graduation

**Goal:** to achieve optimum controlled enrollment

**Goal:** to support learning inside and outside the classroom

- Divisional representation and co-chairing of the Retention Task Force.
- Working to create a divisional retention plan with input from all offices.
- Noel-Levitz consulting firm on campus to evaluate retention and admission efforts.
- Successful completion at a 96% completion rate of MAP-Works (Making Achievement Possible) Survey in the residence halls

- Transfer Year Experience (TYE): UHDS expanded the Transfer Year Experience (TYE) program aimed at transfer students living on campus. The TYE program, housed in Higgins Hall, is a four week program that provided transfer students with information and resources to assist them with their transition to WIU. These programs were open to any transfer student living in Higgins Hall, but were specifically targeted toward those residents living in the transfer student community housed on the 14th floor. The TYE program was recognized on the regional level as the GLACUHO Outstanding Project.

- Student Success Programming: University Housing and Dining Services continued to provide student success programming through the First Year Experience program in Bayliss/Henninger, Thompson and Tanner Halls.

- Academic Resource Packets: The UHDS Academic Initiatives committee created a resource packet that targets students living in the halls that are facing academic difficulties. Based on the reports given at the beginning of Spring semester, students that were placed on Academic Warning or Probation were given a packet of resources and had a one on one meeting with a Head Staff member of their hall.

5. Support and advance our intercollegiate athletics department to a level of competitive success within our respective conference, while enhancing the overall student-athlete experience

**Goal:** to support learning inside and outside the classroom

**Goal:** to provide strong commitments and increase opportunities to support public service and outreach

- Renovated the Athletic Academic Advising Center in Brophy Hall
- Spring 09 – 60.26%of all student-athletes earned 3.00 GPA or better & 37 student-athletes earned a 4.0 GPA
- Fall 09 – 58.10 % of all student-athletes earned a 3.00 GPA or better& 53 student-athletes earned a 4.0 GPA
- 3.15 overall student-athlete GPA (highest S/A in history of WIU Athletics)
- The Federal Graduation Rate for the 2009-10 cohort is 64% compared to Western’s general student body rate of 58%
- Developed comprehensive recruiting visit policy for all individuals involved in the on-campus recruiting process.
- Worked in conjunction with the Department of Kinesiology to develop team physician affiliation agreements for all physicians that provide services to WIU Athletics.
• Developed academic initial eligibility worksheet to assist prospective student-athletes and WIU coaches in the NCAA initial eligibility process.
• Developed practice log audit survey for WIU current student-athletes using an online survey template to ensure WIU is effectively monitoring NCAA playing and practice regulations.
• Several Alumni & Friends events centered around athletic games to cultivate partnerships have been held during the year

6. Successfully open and integrate the Women’s Center, Casa Latina, and Brooks Cultural Center into the daily functions of the new Multicultural Center
   
   **Goal:** to expand and improve facilities to meet the needs of university constituencies and reflect the core values of the university
   
   **Goal:** to support learning inside and outside the classroom
   
   **Goal:** to encourage diversity of perspectives and engage in activities that support social responsibility, personal development, and leadership
   
   Multicultural Center was successfully opened and an open house ribbon cutting was conducted on October 16, 2009.
   
   The centers have sponsored and supported a variety of public service and outreach activities this year and created opportunities for increasing public involvement in cultural, intellectual, and educational activities in an effort to highlight and showcase the Multicultural Center as an integral part of campus.
   
   Collaboration has been ongoing with Casa Latina, Gwendolyn Brooks Cultural Center, and The Women’s Center to identify policies, procedures, and guidelines for staffing, use and scheduling of shared spaces, and other collaborative needs.
   
   The centers worked diligently to publicize the new Multicultural Center and separate and shared programs and resources that are available to students, faculty and staff.
   
   1,092 events have been scheduled in the Multicultural Center during 2009-2010 academic year. These include:
   
   --regular meetings of and programs sponsored by Casa Latina, GBCC and Women's Center staff and affiliated organizations.
   
   --regular (weekly, bi-weekly, or monthly) meetings held by eight organizations, committees, classes, and other groups not affiliated with Casa Latina, GBCC and the Women's Center
   
   --approximately 181 programs and activities held by student organizations, departments, offices, agencies, and other groups not affiliated with Casa, GBCC and the Women's Center.

7. Seek additional support for Financial Aid
   
   **Goal:** to provide statewide and national leadership in reducing levels of student indebtedness and increasing cost predictability and affordability
   
   Continue to package aid and notify students as early as possible. WIU continues to be the earliest Illinois public institution to send award notifications to new students in an attempt to allow those students to make timely and informed educational choices.
   
   Completed a national search for a new Director of Financial Aid to replace Bill Bushaw.
   
   Hired an Associate Director to respond to students at all service points and to assist in recruiting and retaining an excellent staff to support students.
   
   Financial Aid developed a suggested lender list meeting all new federal requirements. The objective was to develop a questionnaire (informal RFI) which lenders complete. An assessment tool was developed to evaluate the lender information submitted through use of the questionnaire. A committee was formed (including a non-financial aid member) to participate in the review and selection process.

8. Continue assessment and planning efforts toward a comprehensive alcohol education program
   
   **Goal:** to support learning inside and outside the classroom and initiatives designed to increase student success
   
   Implemented year two of alcohol pre-matriculation education, Alcohol Wise.
   
   Continued availability of alcohol and other drug assessment through AOD center in which relocated to Seal Hall.
   
   Alcohol risk-reduction Steering Committee (faculty, staff and students) completed Drug Free Schools and Communities Act compliance, and policy.
   
   Implemented BAC Squad, student peer educator group.
   
   Awarded 2nd year of funding from the Enforcing the Underage Drinking Laws (EUDL) Program
9. Continue to enhance the Veterans Assistance Program on campus

**Goal:** to expand and improve facilities to meet the needs of university constituencies and reflect the core values of the university

**Goal:** to support learning inside and outside the classroom

**Goal:** to encourage diversity of perspectives and engage in activities that support social responsibility, personal development, and leadership

- The Student Assistance and Parent Service Center has implemented a successful one stop service for students who recognize themselves as veterans or reservists.
- The SAPSC is currently serving 618 veterans on the Macomb campus an increase from last year of over 11%. The office has provided a Veterans Orientation seminar, Veterans Day memorial service and dedication of the new Wright House Residence, and a seminar regarding GI-Bill 911.
- The Wright House residence was opened and dedicated on November 11, 2009 to better serve our veterans on campus.
- The Veterans Resource Center serves as a model for other programs to emulate as it is one of only a few dedicated centers in the state. Services to veterans and military personnel continue to increase in numbers and complexity as troops are returning from combat areas.
- WIU has experienced an increase in veteran/military personnel enrollment of approximately 10% each semester.
- The VRC prides itself in maximizing the utilization of external resources by hiring, training, and supervising 6 student veterans whose wages are paid 100% by the Veterans Administration.

10. Continue to support the Division of Student Services technology goals and plans

**Goal:** to deliver a strong, user-centered information technology infrastructure

- Electronic Student Services works closely with each of our departments to develop and maintain internet visibility.
- Created new web sites for Camp Leatherneck, Gender Equity, Veterans Resources, West Central Illinois Volunteer Conference and the AOD Resource Center.
- Worked with the University Bookstore to help create a new online bookstore using 3D cart.
- Working with Illinois Institute for Rural Affairs to get a new survey application installed on a server for them. This will help them create and publish surveys to recipients.
- Working with U-Tech on the new content management system and the University site redesign.
- Created an electronic check-in process for Beu Health Center.
- Created an application to help the Bookstore track student and employee purchase of discounted software.
- Created an application to display the emergency information housing uses in the residence halls.
- Create an application to help Beu Health center convert files from one system to another.

11. Continue to plan and design University Union renovations – e.g. Elevator to Heritage Room

**Goal:** to expand and improve facilities to meet the needs of university constituencies and reflect the core values of the university

**Goal:** to support learning inside and outside the classroom

- Plans are in place to install a new passenger elevator to the Heritage Room – second level to provide a quality accessible way for all students, faculty, staff and guests of the University to access the Heritage Room-renovation to follow.
- Plans are in place to replace the outside entry way to the University Union as it has been deemed unsafe by a structural engineer.
- Updated food court operations to create Pause Deli.

12. Develop a fully integrated virtual bookstore

**Goal:** to identify additional ways to maintain alumni involvement and increase their commitment to and partnership with the University community

**Goal:** to deliver a strong, user-centered information technology infrastructure

- Collaborative effort between Electronic Student Services the University Bookstore to help create a new online bookstore using 3D cart.
- ESS created an application to help the Bookstore track student and employee purchase of discounted software.
13. Build a new pro shop and cart storage facility at Mussatto Golf Course
   **Goal:** to expand and improve facilities to meet the needs of university constituencies and reflect the core values of the university
   - The cart shed project was completed and is in use. This greatly assists in preserving the life of our carts and now the course mowers and other equipment can also be sheltered from the weather. It also provides an alternate place to host events if the shelter is needed.
   - The construction of the new pro shop was not accomplished, though some funds from donors have been received.

14. Plan and complete a new GoWest garage
   **Goal:** to provide safe, accessible, responsive campus environments that meet the needs of University constituencies
   - Ridership up 4% over FY09 (despite lower enrollment).
   - Technology being heavily used (GPS 1500 hits per week – Route shout 200 per day).
   - Initial ridership was 20% higher than past years due to marketing.
   - Continued integration of our real time- and schedule based software.

15. Expand late night/non-alcohol program options
   **Goal:** to provide safe, accessible, responsive campus environments that meet the needs of University constituencies
   **Goal:** to support learning inside and outside the classroom and initiatives designed to increase student success
