## Fiscal Year 2022 All-Funds Budget

To ensure full budgetary disclosure within Illinois public universities, the Illinois Board of Higher Education requires each public university Board of Trustees to approve a budget for the upcoming fiscal year. The plan must include all sources of university funds categorized by State Appropriated Funds, University Income Funds, Auxiliary Services Funds, and All Other Non-Appropriated Funds. The budget approved by the Western Illinois University Board of Trustees is submitted to the Illinois Board of Higher Education, Illinois State Legislature, and the Governor.

The following table presents Western Illinois University's *Fiscal Year 2022 All-Funds Budget* to be approved by the Western Illinois University Board of Trustees. This budget is presented with a FY2022 state appropriation of \$49.6 million. This is the amount that was passed by the General Assembly as of May 31, 2021.

Statewide budgeting for higher education follows a two-step process. Prior to the start of the fiscal year, the Western Illinois University Board of Trustees must approve a preliminary spending plan for the next fiscal year beginning July 1. Table 1 presents the *Western Illinois University Preliminary Spending Plan* for fiscal years 2020, 2021 and 2022. This plan was approved by Western Illinois University Board of Trustees in June (*Resolution No. 21.6/5*).

Table 2 presents the All-Funds Budget approved by the Western Illinois University Board of Trustees for Fiscal Years 2020, 2021, and 2022. Differences in values budgeted for the *Fiscal Year 2022 Preliminary Spending Plan* (Table 1) and the *Fiscal Year 2022 All-Funds Budget* (Table 2) are due to the following factors.

- The *Fiscal Year 2022 Preliminary Spending Plan*, approved by the Western Illinois University Board of Trustees in June 2021, was based on projected student enrollment. The *Fiscal Year 2022 All-Funds Budget*, presented today, is based on actual Fall 2021 enrollment.
- Western Illinois University bases institutional budgets on previous fiscal year expenditures. The *Fiscal Year 2022 Preliminary Spending Plan*, approved by the Western Illinois University Board of Trustees in June 2021, was based on estimated Fiscal Year 2021 expenditures. The *Fiscal Year 2022 All-Funds Budget*, presented today, is based on actual Fiscal Year 2021 expenditures. The budget also reflects a potential increase in one-time expenditures due to additional assistance from the Higher Education Emergency Relief Fund that is expected in Fiscal Year 2022.

- At the time of preparing the Fiscal Year 2022 Preliminary Spending Plan to the Western Illinois University Board of Trustees, the State's Fiscal Year 2022 Appropriated Funds Budget had just been enacted. The University's Fiscal Year 2022 All-Funds Budget includes the Fiscal Year 2022 Appropriated Funds Budget signed into law by the Governor.

### Fiscal Year 2022 Spending Priorities

Following a fiscally conservative model, Western Illinois University's annual budget preparation process uses the previous year's budget and Strategic Plan priority and resource allocation decisions as base. This practice successfully supports advancement of the *University Mission Statement* and attainment of institutional goals and priorities stated in *Higher Values in Higher Education*.

As guided by *Higher Values in Higher Education*, funds will be applied to the University's highest priorities, including increasing faculty and staff salaries to meet and exceed the average of peer institutions, enrollment, recruitment and retention efforts, diversity initiatives, support for student scholarships, support for academic programs, student access and opportunity initiatives in the Quad Cities and deferred maintenance needs.

Pending Board approval, the University will continue to aggressively pursue Strategic Plan priorities. Personnel services, Medicare, and CMS health insurance expenditures totaling \$103.6 million represent 50.3 percent of the University's Fiscal Year 2022 planned all-funds budget expenditures, followed by items supporting the academic mission of the University: contractual services (primarily utilities and food service), awards and grants (student financial aid), and commodities.

### Integrated Planning, Budgeting, and Accountability Reporting Processes

Because Western Illinois University engages in integrated planning, budgeting, and accountability reporting processes, the *Fiscal Year 2022 All-Funds Budget* report should be read in conjunction with *The Fiscal Year 2023 Appropriated Operating and Capital Budget Recommendations* to the Illinois Board of Higher Education identifying how funding will create sustainability for instructional, research, and service activities that directly contribute to Illinois' knowledge-based economy through successful implementation of *Higher Values in Higher Education*.
