Under the Family Educational Rights and Privacy Act (FERPA) of 1974, updated January 2009, I understand that my educational records cannot be released without my permission. I authorize the release of my academic records from WIU to Heartland, and the release of any additional academic records from Heartland to WIU, in order to share student data information between the two institutions without the violation of FERPA. I understand that I have the right to rescind this release agreement of my academic records at any time by notifying the Registrar at Western Illinois University.

I understand the FERPA statement and agree to my student records being shared between WIU and Heartland for the purpose of credit evaluation to determine the awarding of an Associate Degree from Heartland.
