To Access the Announcements Request Form from Off Campus

EITHER:

Install the GlobalProtect VPN client software available here:
https://www.wiu.edu/university_technology/vpn/

Then, proceed to **https://announcements.wiu.edu**

OR:

Visit the clientless VPN page here: **https://vpn.wiu.edu.**

After you log in and complete 3rd party authentication, as prompted, you will be directed to the WIU VPN landing page (see screenshot, below). Click "Visit another website" in the upper right and enter **https://announcements.wiu.edu** in the address box, then click "GO."
