IDT 600 Applied Project Enrollment Form

Request to Register:

IDT 600 – Applied Project (3 sh):

   Star #:_____

**It is the student's responsibility to make sure that an approved Graduate Degree Plan is on file, the applied project graduate committee assigned, the applied project committee chair consulted, and the applied project pre-proposal approved by the committee chair.

To register for the course, you must complete this form and submit it to your assigned committee chair for approval. Your committee chair will then submit the form to the IDT Program Coordinator who will review the form and contact you that the material is approved. At that time, you can register for IDT 600.
