

# NOYCE SCHOLARSHIPS AVAILABLE FOR STEM MAJORS

## ATTENTION STEM MAJORS!

Black Hawk College, in partnership with Western Illinois University, is offering a NOYCE Teacher Scholarship to BHC students beginning in Fall 2023.

This scholarship is for students committed to completing one of the secondary education options in biology, chemistry, mathematics or physics at Western Illinois University. It is made possible through a \$1.4 million National Science Foundation NOYCE STEM Teacher Scholarship Track I grant that WIU received in partnership with Black Hawk College.

To qualify, a student must:

- Have a minimum 2.75 GPA.
- Intend to declare a major in secondary education teacher licensure in science or mathematics.
- Commit to teach one year in a high-needs school district for every semester of scholarship support received.

Should you need accommodations or this information in an alternative format, please contact Disability Services at 309-796-5900.

This scholarship covers the full cost of tuition, room and board at Western Illinois University and is renewable for qualified applicants.

**Black Hawk College is offering another exciting opportunity!**

Become a BHC Learning Assistant in one of the four STEM areas. You'll work closely with BHC faculty members in biology, chemistry, mathematics or physics. It's a great opportunity to experience college-level instruction from the front of the classroom! This opportunity starts in Fall 2023.
