Halloween on Campus & Creative Art

Trick-or-Treating

Children wore costumes, explored the campus, practiced greetings, and used polite words such as “Trick or treat!” and “Thank you.”

IELDS connections

1.B.ECa — Use language for different purposes, such as greeting and communicating.

31.B.ECc — Develop positive interactions with others during shared activities.

Halloween Art

Our ghost drawings and black-cat creations encouraged imagination, creativity, and control of small hand movements.

IELDS connections

25.A.ECd — Explore and participate in visual arts using materials and tools.

19.A.ECd — Coordinate eyes and hands while working with art materials.

Stories, Outdoor Play & Hands-On Learning

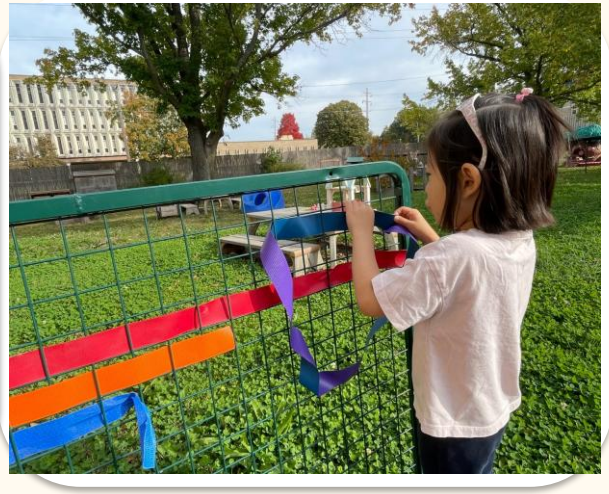

Halloween Story Time

We shared Peppa Pig and the Halloween Costume, Five Little Ghosts, and Boo! Children explored Halloween words, looked closely at illustrations, and talked about the stories.

IELDS connections

1.B.ECa — Use language to ask questions, describe pictures, and share ideas.

Outdoor Discovery

Outdoor play supported balance and body coordination. We also explored colorful ribbons, using careful hand movements and creative choices.

IELDS connections

19.A.ECa — Participate in active play that uses large muscles.

19.A.ECd — Use eye–hand coordination for hands-on tasks.

25.A.ECd — Explore visual arts through colors and materials.

Learning through play, creativity, language, and exploration!
