Major Tasks Undertaken

CIE gathered data through various requests for reviewing and assessing the level of goal achievement for GI courses in the past two years. The following tasks were completed during the academic year:

- Acquired enrollment data in GI courses
- Acquired student grade data for GI courses
- Classified course effectiveness of GI courses based on students' performance in these courses
- The committee is working of a final draft of the report

CIE evaluated the following course proposals for Discipline-Specific Global Issues Designation
a. ARTH 393: Gender and Embodiment in the Visual Arts (3).
